Brochure Descriptions and Order Form

Top 10 Things the Seller of a home should look for in the Purchase Contract

Top 10 Things the Home Buyer should look for in the Purchase Contract (also available in Spanish)

Designed for agents to give to sellers or buyers when taking a listing, or writing an offer. These brochures cover the most frequently asked questions that sellers and buyers have about the contract during a transaction. Using these brochures in conjunction with a complete explanation of the AAR Purchase Contract assures that sellers and buyers are fully informed about their transaction and helps simplify the entire process.

Don't Make a Move without a REALTOR®

This two-sided card explains to prospective buyers or sellers the benefits of working with a REALTOR®. Gives tips to the buyers/sellers on what to expect and what questions to ask.

Fair Housing Advertising Guidelines – What message are you sending?

Guidelines for REALTORS® concerning their responsibilities under both Arizona and Federal fair housing laws as they apply to residential real estate advertising. Includes a recommended list of words and phrases to help agents write positive and effective ads that also comply with fair housing laws.

Understanding the Pool Barrier Laws

Your clients will be wowed by this helpful and informative brochure. Includes helpful telephone numbers and answers to frequently asked questions.

You Have a Right to Pursue your Hopes, Dreams and Fair Housing (also available in Spanish)

The most frequent questions about Fair Housing laws that come from homebuyers and homeowners are covered in this brochure.
