ARIZONA'S RISK MANAGEMENT PROGRAM

WHY ATTEND

This course addresses risk management topics and issues related to agency, employment and the standard of care. Upon completion of this course, you will be able to:

- Describe what constitutes the standard of care required in Arizona.
- Implement strategies to avoid risks related to failing to adequately perform the duties required in an agency relationship.
- Explain how a commission is and is not earned under a listing agreement, as interpreted by Arizona courts.
- Reduce risks associated with commission disputes under co-brokerage agreements.
