Sellers are obligated by law to disclose all known material (important) facts about the property to the buyer. Arizona law requires that you disclose material facts about the property whether or not you are asked by the buyer or a real estate agent, or when asked to complete a disclosure form. You may also be required to complete and record an affidavit of disclosure if selling property in an unincorporated area of a county.

“...you have a duty to disclose the information, regardless of whether or not you consider the information material.”

The SPDS is divided into nine general sections:

(A) Ownership and Property:
This section asks for general information about the property such as location and ownership. Any seller should be able to answer most, if not all, of the questions in this section.

(B) Property Type:
This section indicates whether this is office, industrial, retail, etc.

(C) Utilities:
You are asked whether the property currently receives the listed utilities.

(D) Access/Use:
This section asks for any easement or restriction information governing the property.

(E) Compliance with Law/Legal Matters:
Zoning issues and any previous property violations are addressed here.

(F) Contractual Obligations:
This section asks what, if any, contractual obligations are attached to the property.

(G) Environmental Factors:
This section deals with the property and the area around it. What, if any, environmental factors such as noise, hazardous materials, etc. are addressed here.

(H) Reports/Studies:
If there have been any studies or reports made on this property, you will be asked to address them here.

(I) Material Physical Defects and Other Factors:
Any miscellaneous items not addressed elsewhere are addressed in this section.

Please note: By law, sellers are not obligated to disclose that the property is or has been: (1) the site of a natural death, suicide, homicide, or any other crime classified as a felony; (2) owned or occupied by a person exposed to HIV, or diagnosed as having AIDS or any other disease not known to be transmitted through common occupancy of real estate; or (3) located in the vicinity of a sex offender. However, the law does not protect a seller who makes an intentional misrepresentation. For example, if you are asked whether there has been a death on the property and you know that there was such a death, you should not answer "no" or "I don't know"; instead you should either answer truthfully or respond that you are not legally required to answer the question.
MESSAGE TO THE SELLER:

Sellers are obligated by law to disclose all known material (important) facts about the Property to the Buyer. The SPD S is designed to assist you in making these disclosures. If you know something important about the Property that is not addressed on the SPD S, add that information to the form. Prospective Buyers may rely on the information you provide.

INSTRUCTIONS: (1) Complete this form yourself. (2) Answer all questions truthfully and as fully as possible. (3) Attach all available supporting documentation. (4) Use explanation lines as necessary. (5) If you do not have the personal knowledge to answer a question, use the explanation lines to explain. By signing below you acknowledge that the failure to disclose known material information about the Property may result in liability.

MESSAGE TO THE BUYER:

Although Sellers are obligated to disclose all known material (important) facts about the Property, there are likely facts about the Property that the Sellers do not know. Therefore, it is important that you take an active role in obtaining information about the Property.

INSTRUCTIONS: (1) Review this form and any attachments carefully. (2) Verify all important information. (3) Ask about any incomplete or inadequate responses. (4) Inquire about any concerns not addressed on the SPD S. (5) Review all other applicable documents, such as environmental studies, CC&R’s, association bylaws, surveys, title report or commitment, etc. (6) Obtain professional inspections of the Property. (7) Investigate the surrounding area. (8) Obtain such other professional advice as you deem necessary.
