

Legislative & Political Affairs Committee 2015

Updated: December 2014

The Legislative & Political Affairs Committee works to protect private property rights, promote AAR's interests at all levels of government, and mobilize members to legislative and political action. This includes work on needed legislation, legislative monitoring, lobbying (including "calls for action"), issues campaigns, issues research, member awareness and political training programs, and raising and disbursing funds for RAPAC and the Issues Mobilization Fund.
