“NAR’S GREEN DESIGNATION PROVIDES TOOLS to focus on the cutting edge of the real estate market.”

It's not just a way to live.
It's a way to thrive.

Expand your business with the newly revised NAR Green Designation.

NAR's Green Designation is updated with the latest industry trends. The innovative three-day program will get you up to speed on the latest advancements in the green industry and homes with green features, showing you how to leverage sustainable practices for your clients and your business.

Feb 3: Green 100: Real Estate for a Sustainable Life

Feb 5: Green 200: The Science of Green Building

Feb 12: Green 300: Green Your Real Estate Business

Course descriptions and outlines available:
