The demands and expectations of today's students have changed.

IDW: STUDENT FOCUSED LEARNING* (9:00-NOON)

Enhance your classes when you incorporate new teaching methods that are sure to make for fun and exciting learning! Have your students coming back wanting more than just 3 hours of c/e when they know how to apply what they learn with you out of the classroom and in their business.

INSTRUCTOR FORUM: ENGAGING THE STUDENTS (1:00-4:00)

Doing is the best form of learning! Take what you learned in the morning IDW and put it to practical use. Leave today with finished tools to use in your classroom tomorrow! This session is hands-on with tools for polling, engagement/comprehension, closings.

This program is designed to assist you in developing better classroom presentation skills and teaching methods in order to enhance the learning experience for your students.

You will leave these sessions with tools, ideas and methods to take your delivery skills to the next level.
