## WILL THE REAL PROPERTY MANAGER PLEASE STAND UP?

To succeed in property management, it is essential that you understand:

- Accounting issues; keeping accurate records for both the landlord and tenant
- Managing service orders, such as repairs; tracking the services for completion and assigning invoices to the correct properties
- Financial accountability; keeping accurate records and being able to provide itemized records for both landlords and tenants
- The Landlord/Tenant Act itself – knowing it inside and out; understanding the rights of both landlords and tenants
- E&O coverage at the brokerage for property management services
