Mistakes can cost you a lot. Know your responsibilities before you blunder into a property management nightmare. Through real world case studies you'll learn how to:

- Define agency in property management
- Describe the different ways that agency relationships are created
- Identify agency duties created through state statute, ADRE Commissioner Rules and Regulations, common law, NAR Code of Ethics and Standards of Practice
- Describe break of duties and remedies

INSTRUCTOR

Mike Mulvena has over 27 years of real estate sales and property management experience. Mike is also a state licensed instructor of property management, code of ethics, licensing and renewal classes throughout the state of Arizona.

CERTIFIED RESIDENTIAL PROPERTY MANAGER:

AAR's certification program is dedicated to property management and offers classes that you can use for your real estate license renewal. This program was designed to hone your knowledge and skills in topics that relate to your day to day business as a property manager. The curriculum was developed in concert with property management attorneys and longtime property management practitioners. To learn more, visit www.aaronline.com/increase-knowledge.
