

Risk Reduction for Property Managers

August 17th
12:45pm-4pm

CE: 3 Legal Issues

This course, developed for the professional property manager, is designed to provide students with a tool they can use to identify and reduce the risk in their property management business. It will cover the risk reduction theory and how to apply it to several categories, which include: property owners, tenants, government legislation, technology, and vendors/contractors.
