Understanding Diversity (AHWD)

Expand Your Business and Horizons Through Cultivating Multicultural Relationships for Business

REALTORS® know the importance of adapting and remaining relevant in today’s marketplace. By developing a business practice rooted in inclusion and equality, you can help buyers of all cultural backgrounds achieve the dream of homeownership.

The At Home with Diversity® (AHWD) certification course teaches you how to work effectively with diverse populations so you can build business success in today’s multicultural real estate market.

Bonus! The At Home With Diversity® certification course counts as an elective for the ABR and CIPS designations, the Arizona GRI Designation and towards the C2EX Endorsement.
