

Winter Conference Planning Workgroup

“President Mabery tasked the 2012 Winter Conference Planning Workgroup to create a program that would focus on Continuing Education, Risk Management, and Technology. The Workgroup took these directions to heart and have created what we hope to be THE BEST AAR WINTER CONFERENCE yet! I am honored to have been allowed to stir the pot & stoke the fire!” Welcome!

Christopher Paris, Chair

Dane Briggs

Kerry Melcher

Tahona Epperson
