

# GoPaperless eSign Printer Driver Installation for PC

Instructions shown from Microsoft Internet Explorer. Different internet browsers may vary.

1. From <http://www.aaronline.com/businessservices/> select **AAR eSign** on the right hand menu, then click the **Printer Driver Download** link (see Figure below.)

**eSign**  
**Powered by GoPaperless®**

eSign is the new electronic signature benefit system, powered by GoPaperless. This member benefit is now available at no extra cost to our members.

Forms in the zipForm® AAR library are pre-mapped when imported into eSign using the eSign Printer Driver. The printer driver, along with a companion instruction sheet, can be downloaded to your computer using the following links:

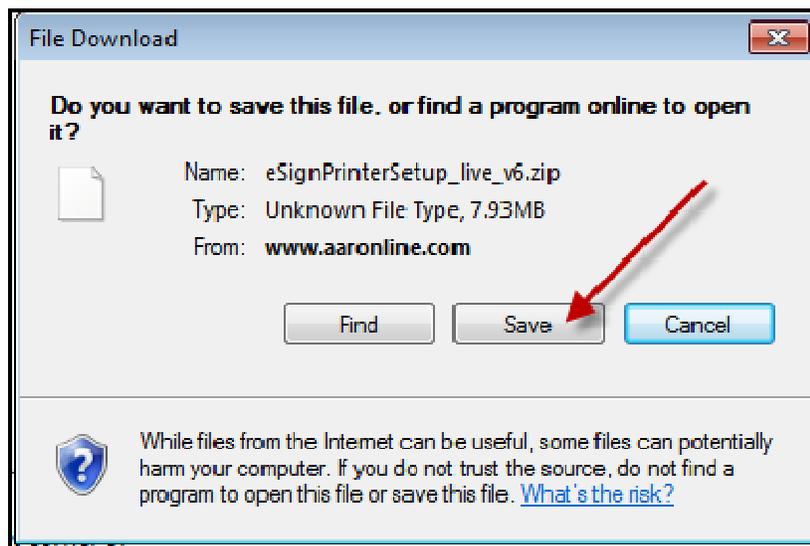

**eSign**

Access your eSign account directly by visiting <http://aar.esignonline.net>. To login to your eSign Gopaperless® dashboard, enter your **Username** (your email address) and your **Password**. (First-time users will enter their NRDS# as the password. You will then be prompted to create a new password.)

**eSign Printer Driver**

- [Printer Driver Installation Instructions \(PDF\)](#)
- [Printer Driver Download \(V6\)](#) ←
- This will download a zip file. Please save it to your desktop and then uncompress the installation EXE. *A Mac version will be available by the end of May.*
- [Read the instructions \(PDF\)](#) for using the eSign program *without* using the printer driver.

2. From the File Download box, click **Save** (see Figure below.)

Find Save Cancel

While files from the Internet can be useful, some files can potentially harm your computer. If you do not trust the source, do not find a program to open this file or save this file. [What's the risk?](#)

3. From the *Save As* selection window, select *Desktop* as your location and click **Save** (see Figure below.)

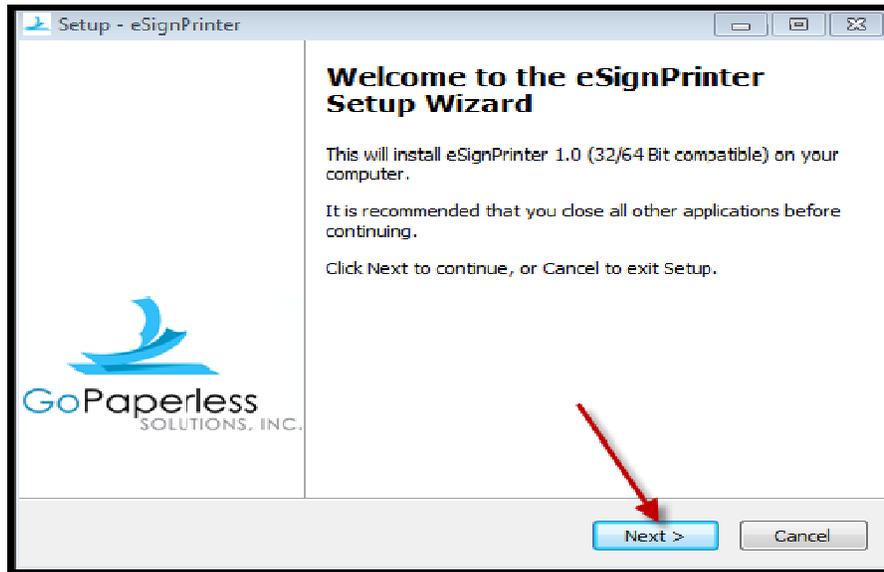

3. From the *Download Complete* box, click **Open** (see Figure below.)

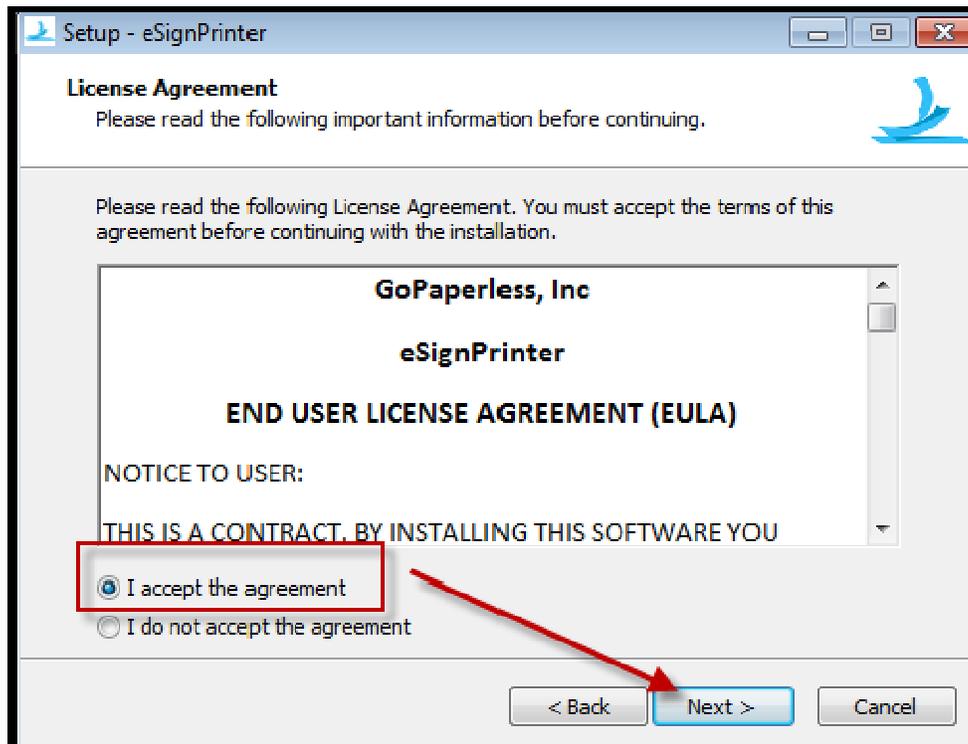

**NOTE:** Depending on your Computer software, you may receive a security warning or an option that asks you to allow the installation. Click yes, allow, etc.

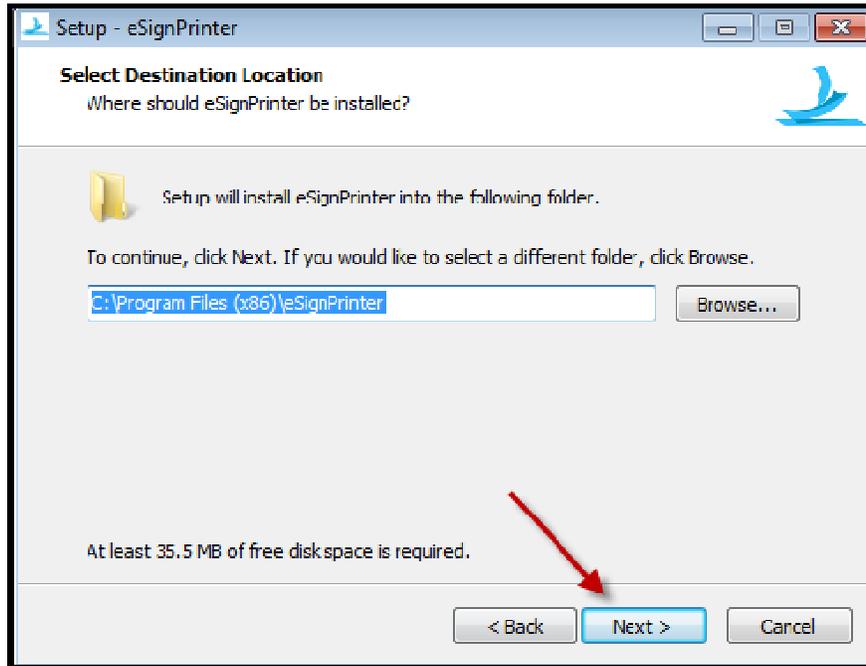

6. From the Setup wizard, click **Next** (see Figure below.)

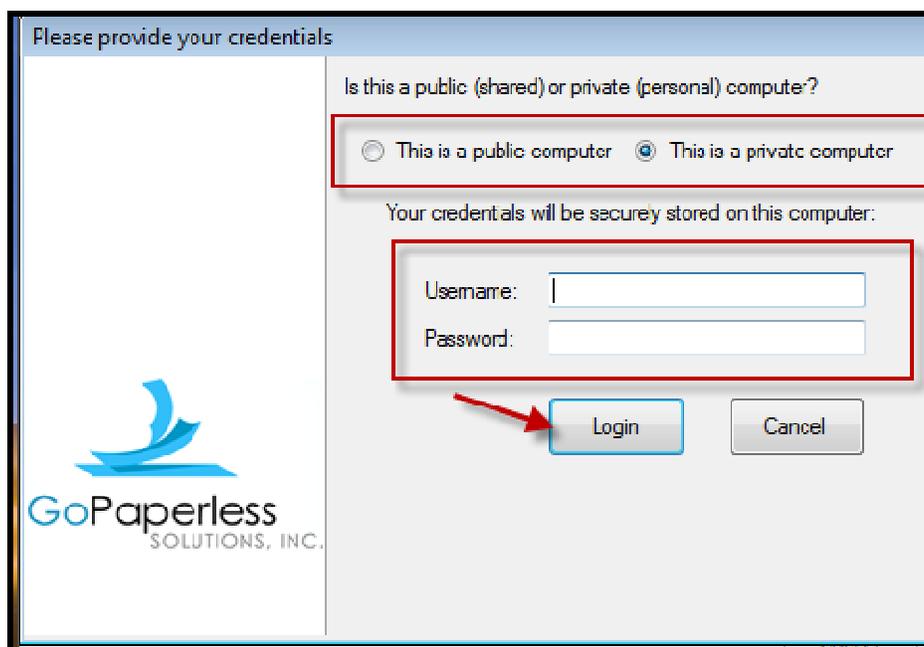

7. Select the **I Accept the agreement** radio button, and click **Next** (see Figure below.)

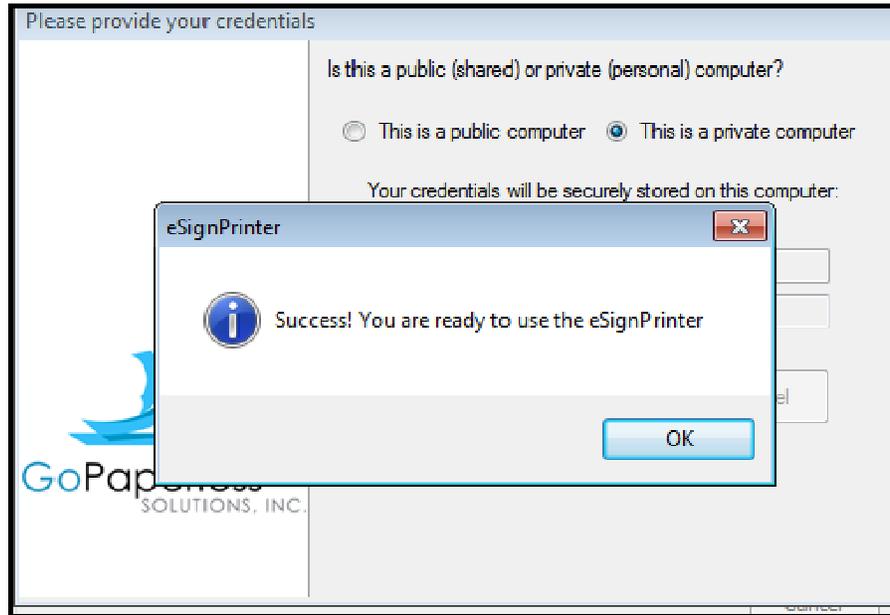

8. From the Select Destination screen, use the default location and click **Next** (see Figure below.)

9. From the Credentials screen, select Public (computer used by more than one person) or Private computer (your personal computer), enter your Username (your email address) and your Password (your 9 digit NRDS# - National Association of Realtors® member number.) If your member number is only 8 digits, place a zero "0" at the beginning and click **Login** (see Figure below.)

10. Once you have entered your credentials, you will receive a confirmation window; click **OK** (see Figure below.)

11. Click **Finish** (see Figure below.)
