While the license is expired it is unlawful for a person to act or attempt or offer to act in a manner included in the definition of a real estate, cemetery or membership camping broker or salesperson. If the license of an employing broker expires under this subsection, the licenses of persons who are employed by the employing broker shall be severed from the employing broker on the license expiration date of the employing broker. I. The department shall not renew the license of a person who has been convicted of a felony offense and who is currently incarcerated for the conviction, paroled or under community supervision and under the supervision of a parole or community supervision officer or who is on probation as a result of the conviction. E. The lapsing or suspension of a license by operation of law or by order or decision of the commissioner or a court of law or the voluntary surrender of a license by a licensee shall not deprive the commissioner of jurisdiction to do any of the following:

1997

### **32-2154. Cease and desist orders; hearing**

A. If it appears to the commissioner that any person has engaged, is engaging or is preparing to engage in any act, practice or transaction that constitutes a violation of this chapter or any rule adopted or order issued by the commissioner, the commissioner may issue an order directing any person to cease and desist from engaging in the act, practice or transaction or doing any act in furtherance of the act, practice or transaction, to make restitution or to take appropriate affirmative action, within a reasonable period of time as prescribed by the commissioner, to correct the conditions resulting from the act, practice or transaction.

B. A person aggrieved by a cease and desist order issued by the commissioner pursuant to this section may request a hearing pursuant to title 41, chapter 6, article 10 and the commissioner may issue the order or orders as the commissioner deems necessary to protect the public interest. The commissioner may also bring an action in any court of competent jurisdiction against the person to enjoin the person from continuing in violation of this chapter. These proceedings shall be promptly instituted and determined. 2000

**Recent legislative year:** Laws 2000, Ch. 113, § 122.

### **32-2155. Restriction on employment or compensation of person as broker or salesperson**

A. A broker shall employ and pay only active licensees, and a licensee shall accept employment and compensation as a licensee only from the legally licensed broker to whom the licensee is licensed. If the licensee is licensed through a professional corporation or a professional limited liability company, the employing broker may pay and the licensee may receive compensation only through the licensed professional corporation of which the licensee is an officer and shareholder or the licensed professional limited liability company of which the licensee is a member or manager.

B. It is unlawful for a person, firm or corporation, whether obligor, escrow holder or otherwise, to pay or deliver to anyone compensation for performing any of the acts specified by this chapter, as a broker, who is not licensed at the time the service is rendered. An identification card or certificate of license issued by the state real estate department showing that the person, firm or corporation holds a license for the year in which the payment is made or earned shall be sufficient proof to relieve from any penalty for a violation of this section the obligor, escrow holder or other person who relied in good faith on the card or certificate.

C. A real estate broker or real estate salesperson shall not collect compensation for rendering services

in negotiating loans secured by real property unless all of the following apply:

1. The broker or salesperson is licensed pursuant to title 6, chapter 9 or is an employee, officer or partner of a corporation or partnership licensed pursuant to title 6, chapter 9.

D. Notwithstanding subsection A of this section, brokers licensed under this chapter may employ residential leasing agents or managers of residential rental properties, as prescribed by section 32-2121, subsection A, paragraph 6. The exemption of residential leasing agents or managers of residential rental property under article 2 of this chapter shall not be construed to exempt the designated broker from the responsibility to exercise reasonable supervision over these leasing agents or managers. 1997

### **32-2156. Real estate sales and leases; disclosure**

A. No criminal, civil or administrative action may be brought against a transferor or lessor of real property or a licensee for failing to disclose that the property being transferred or leased is or has been:

1. The site of a natural death, suicide or homicide or any other crime classified as a felony.

2. Owned or occupied by a person exposed to the human immunodeficiency virus or diagnosed as having the acquired immune deficiency syndrome or any other disease that is not known to be transmitted through common occupancy of real estate.

**Recent legislative year:** Laws 1999, Ch. 341, § 1.

### **32-2157. Written notice of charges; summary suspension; hearing; voluntary surrender of license**

A. Except as provided in subsections B and C of this section, before suspending, revoking or denying the renewal or the right of renewal of any license, or issuing any order prohibiting the sale or lease of property or the sale of cemetery lots or membership camping contracts as provided by this chapter, the commissioner shall present the licensee, owner, operator, agent or developer with written notice of the charges filed against the person, or reasons for prohibiting the sale or lease, and shall afford the person an opportunity for a hearing pursuant to title 41, chapter 6, article 10. Within twenty days after service of a notice of hearing, the respondent shall appear by filing a written answer to the complaint. A licensee against whom the department has commenced a disciplinary proceeding under this chapter may voluntarily surrender to the department the license if the surrender of the

license occurs not less than ten days prior to a hearing under this section. After the acceptance of a voluntary surrender of a license under this section the department shall not thereafter issue a license under this chapter to the licensee.

B. If the commissioner finds that the public health, safety or welfare imperatively requires emergency action, and incorporates a finding to that effect in the commissioner's order, summary suspension of a license or sales may be ordered. Grounds for issuance of an order of summary suspension include the violation of any of the provisions of section 32-2153 and the termination of a license pursuant to section 32-2188, subsection I. A licensee, owner, operator, agent or developer may request a hearing pursuant to title 41, chapter 6, article 10. A summary suspension shall be deemed to be final if a request for a hearing is not received within thirty days as provided by section 41-1092.03.

C. The department may issue a summary suspension when the department receives notice that a person licensed pursuant to this chapter has been convicted of a felony offense and is currently incarcerated for the conviction, paroled or under the supervision of a parole or community supervision officer or is on probation as a result of the conviction. This subsection does not limit the commissioner's authority to seek revocation of a license or other disciplinary action pursuant to this chapter.

For the purpose of investigation or hearing the commissioner shall have the powers vested in public officers by section 12-2212.

B. Process issued by the commissioner may be served by any person authorized to serve process of courts of record or by any person designated for that purpose by the commissioner. The person serving process shall receive compensation allowed by the commissioner, not to exceed the fees prescribed by law for similar service. Any witness who appears by order of the commissioner shall receive the same fees and mileage allowed by law to a witness in civil cases, which shall be paid by the party at whose request the witness is subpoenaed. Fees for serving process and of witnesses subpoenaed by the commissioner not upon the request of any other person shall be paid as other expenses of the department are paid. 2000

**Recent legislative year:** Laws 2000, Ch. 113, § 123.

A. Except as provided in section 41-1092.08, subsection H, a final decision of the commissioner may be appealed to the superior court in Maricopa county pursuant to title 12, chapter 7, article 6.

B. If the superior court declares an appealing party indigent, on appeal the department shall pay the costs of the reporter's transcript of proceedings and shall produce a certified copy of all documents and evidence in the administrative record at no charge. 2000

**Recent legislative year:** Laws 2000, Ch. 113, § 124.

**32-2160. Filing of complaint by commissioner; prosecution**

A. The county attorney of any county in which a violation occurs shall, upon the written request of the commissioner or the attorney general, prosecute the violation.

B. In addition to all other remedies, when it appears to the commissioner either upon complaint or otherwise that any person, firm, partnership, corporation, association or other organization, or a combination of any of them, has engaged or is engaging in any act, practice or transaction which constitutes a violation of this chapter or of any rule or order of the commissioner, the commissioner may, either through the attorney general or through the county attorney of any county in which the act, practice or transaction is alleged to have been committed, apply to the superior court of that county for an injunction restraining such person, firm, partnership, corporation, association or other organization from engaging in such act, practice or transaction, or doing any act in furtherance thereof, and, upon a proper showing, a temporary restraining order, a preliminary injunction or a permanent injunction shall be granted without bond. Process in such action may be served upon the defendant in any county of this state where such defendant transacts business or is found or on the statutory agent in the case of a corporation.

C. Nothing in subsection B shall give the department jurisdiction over any landlord and tenant disputes or federal or state fair housing violations or authorize the commissioner to seek sanctions under this chapter or any rule or order of the commissioner relating to these matters. 1993

**32-2160.01. Civil penalties**

A. Any licensee who is subject to the jurisdiction of the department and who has violated any provision of this chapter or any rule or order adopted or issued by the commissioner, who has deviated substantially from the provisions of a public report or who has engaged in any unlawful practices defined in section 44-1522 with respect to the sale or lease of either subdivided lands or unsubdivided lands may be assessed a civil penalty by the commissioner, after a hearing, in an amount not to exceed one thousand dollars for each infraction.

B. Actions to recover penalties assessed pursuant to this chapter shall be brought by the attorney general in the name of the state in the superior court in the county in which the violation occurred or in a county in which the commissioner maintains an office. When the commissioner has revoked a license or withdrawn certification or approval of a school, educational course or real estate instructor and assessed civil penalties that remain unpaid, if judicial review has not been sought under title 12, chapter 7, article 6, a certified copy of any such commissioner's order requiring the payment of civil penalties may be filed

in the office of the clerk of the superior court. The clerk shall treat the commissioner's order in the same manner as a judgment of the superior court. A commissioner's order so filed has the same effect as a judgment of the superior court and may be recorded, enforced or satisfied in like manner. No filing fee is required under this section. 2007

**Recent legislative year:** Laws 2007, Ch. 165, § 10.

B. Notwithstanding that pursuant to subsection A of this section a licensed broker in this state may pay to and receive compensation from an out-of-state broker, this authority shall not be construed to permit an out-of-state broker to conduct activity in this state that would otherwise require a broker's license issued by the department.

C. A licensed broker in this state may cooperate with an out-of-state broker who would otherwise require licensure in this state if:

1. The licensed broker and the out-of-state broker enter into a written cooperation agreement before the out-of-state broker conducts any activity otherwise requiring a broker's license pursuant to this chapter. The cooperation agreement shall include the following:

(a) A list of the real estate activities to be conducted by the out-of-state broker.

If changes were made to the plat after the final plat approval, the director of water resources shall determine whether the changes are material pursuant to the rules adopted by the director to implement section 45-108. If this subdivision applies, the state real estate commissioner shall require that all promotional materials and contracts for the sale of lots in

H. The commissioner may authorize the subdivider to file as the notice of intention to subdivide lands, in lieu of some or all of the requirements of subsection A of this section, a copy of the statement of record filed with respect to the subdivision pursuant to the federal interstate land sales full disclosure act if the statement complies with the requirements of the act and the regulations pertinent to the act.

I. Neither a real estate sales contract, conveyance, lease, assignment or other instrument to transfer any interest in subdivided land nor any covenant or restriction affecting real property shall contain any provision limiting the right of any party to appear or testify in support of or opposition to zoning changes, building permits or any other official acts affecting real property before a governmental body or official considering zoning changes, building permits or any other official acts affecting real property, whether the property is located within or outside of the boundaries of the subdivision. All contractual provisions that conflict with this subsection are declared to be contrary to public policy. Nothing contained in this subsection shall prohibit private restrictions on the use of any real property.

### **32-2181.03. Lot reservations; expiration**

A. The notice of intent required by section 32-2181, subsection A or section 32-2195, subsection B and the issuance of a public report required by section 32-2183, subsection A or section 32-2195.03, subsection A are not required for any party to enter into a lot reservation on property located in this state.

B. Before the issuance of a public report, a deposit may be accepted from a prospective buyer as a lot reservation if all of the following requirements are met:

1. Before accepting any lot reservation, the prospective seller shall mail or deliver written notice of the seller's intention to accept lot reservations to the department. The notice shall include:

(a) The name, address and telephone number of the prospective seller.

(b) The name, address and telephone number of any real estate broker retained by the prospective seller to promote the lot reservation program.

(c) The name and location of the project for which lot reservations are to be offered.

(d) The form to be used for accepting lot reservations, subject to approval by the commissioner.

2. The reservation deposit for a single lot or parcel shall not exceed five thousand dollars.

3. Within one business day after a reservation is accepted by the prospective seller, the reservation deposit shall be delivered to an escrow agent licensed pursuant to Title 6, Chapter 7 and deposited by the escrow agent in a depository insured by an agency of the United States. The escrow account may be interest bearing at the direction of either the prospective seller or prospective buyer. Payment of any account fees and payment of interest monies shall be as agreed to between the prospective buyer and prospective seller. All reservation deposits shall remain in an escrow account until cancellation or termination of the lot reservation or execution of a purchase contract.

4. Within fifteen calendar days of receipt by the prospective seller of the public report issued by the commissioner relative to the reserved lot or parcel, the prospective seller shall provide the prospective buyer with a copy of the public report and a copy of the proposed purchase contract for the sale of the lot or parcel. The prospective buyer and prospective seller have seven business days after the prospective buyer's receipt of the public report and the proposed purchase contract within which to enter into a contract for the purchase of the lot or parcel. If the prospective buyer and prospective seller do not enter into a contract for the purchase of the lot or parcel within the seven business day period, the reservation automatically terminates. The prospective seller has no cancellation rights other than as provided in this paragraph.

5. A prospective buyer may cancel a lot reservation at any time before the execution of a purchase contract by delivering written notice of termination to the prospective seller.

6. Within five business days after a lot reservation has been terminated for any reason, the prospective seller shall refund to the prospective buyer all reservation deposits made by the prospective buyer including any interest monies earned less any account fees agreed upon, if applicable. The escrow agent shall

refund to the prospective buyer all reservation deposits made by the prospective buyer including any interest monies earned less any account fees agreed upon if the prospective seller is not available. After this refund neither the prospective buyer nor the prospective seller has any obligation to the other arising out of the lot reservation.

7. A prospective buyer may not transfer rights under a reservation without the prior written consent of the prospective seller, and any purported transfer without the consent of the prospective seller is voidable at the sole discretion of the prospective seller.

8. If the department denies an application for a public report on the development on which lot reservations were taken, within five business days of notification by the department, the prospective seller shall notify in writing each prospective buyer who entered into a lot reservation agreement. The prospective seller shall return any reservation deposits previously taken.

9. All notices required by this section to be given to the department, the prospective buyer or the prospective seller shall be in writing and either hand delivered or sent by certified mail, return receipt requested, with postage fully prepaid. Notices sent by mail are deemed delivered on the earlier of actual receipt, as evidenced by the delivery receipt, or seven calendar days after being deposited in the United States mail.

10. Each lot reservation form shall contain the following statement:

The state real estate department has not inspected or approved this project and no public report has yet been issued for the project. No offer to sell may be made and no offer to purchase may be accepted before issuance of a public report for the project.

C. The commissioner may deny authorization to accept lot reservations under this section to any person who has violated or is in violation of any provision of this chapter.

D. The authority to take lot reservations under this section expires two years after the date the commissioner receives notice of the intent to take lot reservations from a developer. 2002

**32-2182. Examination of subdivision by commissioner; fee**

A. The commissioner shall examine any subdivision offered for sale or lease, and shall make public his findings. The total cost of travel and subsistence expenses incurred by the department in the examination, in addition to the initial filing fee provided for in this section, shall be borne by the subdivider on the basis of actual cost to the department. A filing fee of five hundred dollars or such lesser fee as determined by the commissioner shall accompany the written notification required in section 32-2181.

B. The commissioner may, but is not required to, inspect a subdivision site if all of the following apply:

1. The commissioner has previously inspected the subdivision within the past two years.

2. All proposed improvements were complete at the time of the previous inspection.

3. The sales offering does not include any changes to the physical aspects of the subdivision, including the plat, site and locations of improvements.

C. The commissioner is not required to complete the inspection of the subdivision site before issuing a public report. Nevertheless, if the commissioner discovers anything during any subsequent inspection that would have been grounds to deny issuance of the public report or anything that would have warranted additional disclosure in the public report, the commissioner may issue a summary order as provided in section 32-2157 and take whatever other action he deems necessary to ensure compliance with the subdivision laws of this state. 1993

**32-2183. Subdivision public reports; denial of issuance; unlawful sales; voidable sale or lease; order prohibiting sale or lease; investigations; hearings; summary orders**

A. Upon examination of a subdivision, the commissioner, unless there are grounds for denial, shall issue to the subdivider a public report authorizing the sale or lease in this state of the lots, parcels or fractional interests within the subdivision. The report shall contain the data obtained in accordance with section 32-2181 and any other information which the commissioner determines is necessary to implement the purposes of this article. If any of the lots, parcels or fractional interests within the subdivision are located within territory in the vicinity of a military airport or ancillary military facility as defined in section 28-8461, under a military training route as delineated in the military training route map prepared pursuant to section 37-102, under restricted air space as delineated in the restricted air space map prepared pursuant to section 37-102 or contained in the military electronics range as delineated in the military electronics range map prepared pursuant to section 37-102, the report shall include, in bold twelve point font block letters on the first page of the report, the statements required pursuant to section 28-8484, subsection A, section 32-2183.05 or section 32-2183.06 and, if the department has been provided a map prepared pursuant to section 28-8484, subsection B or section 37-102, the report shall include a copy of the map. The military airport report requirements do not require the amendment or reissuance of any public report issued on or before December 31, 2001 or on or before December 31 of the year in which the lots, parcels or fractional interests within a subdivision become territory in the vicinity of a military airport or ancillary military facility. The military training route report requirements do not require the amendment or reissuance of any public report issued on or before December 31, 2004. The restricted air space report requirements do not require the amendment or reissuance of any public report issued on or before December 31, 2006. The military electronics range

report requirements do not require the amendment or reissuance of any public report issued on or before December 31, 2008. The commissioner shall require the subdivider to reproduce the report, make the report available to each prospective customer and furnish each buyer or lessee with a copy before the buyer or lessee signs any offer to purchase or lease, taking a receipt therefor.

B. This section shall not be construed to require a public report issued sixty or fewer days prior to the filing of the military electronics range map prepared pursuant to section 37-102 to meet the military electronics range notification requirements of this section.

C. A public report issued sixty-one or more days after the filing of the military electronics range map prepared pursuant to section 37-102 shall meet all of the requirements of subsection A of this section.

D. Notwithstanding subsection A of this section, a subdivider may elect to prepare a final public report for use in the sale of improved lots as defined in section 32-2101, as follows:

1. The subdivider shall prepare the public report and provide a copy of the report to the commissioner with the submission of the notification required by sections 32-2181 and 32-2184 and shall comply with all other requirements of this article.

2. An initial filing fee of five hundred dollars or an amended filing fee of two hundred fifty dollars shall accompany the notification required by paragraph 1 of this subsection.

3. The department shall assign a registration number to each notification and public report submitted pursuant to this subsection and shall maintain a database of all of these submissions. The subdivider shall place the number on each public report.

4. The department shall determine within fifteen business days after the receipt of the notification and public report whether the notification and public report are administratively complete. The commissioner either may issue a certification that the notification and public report are administratively complete or may deny issuance of the certification if it appears that the application or project is not in compliance with all legal requirements, that the applicant has a background of violations of state or federal law or that the applicant or project presents an unnecessary risk of harm to the public.

5. A subdivider may commence sales or leasing activities as permitted under this article after obtaining a certificate of administrative completeness from the commissioner.

6. Before or after the commissioner issues a certificate of administrative completeness, the department may examine any public report, subdivision or applicant that has applied for or received the certificate. If the commissioner determines that the subdivider or subdivision is not in compliance with any requirement of state law or that grounds exist under this chapter to suspend, deny or revoke a public report, the commissioner may commence an administrative action under section 32-2154 or 32-2157. If the subdivi-

der immediately corrects the deficiency and comes into full compliance with state law, the commissioner shall vacate any action that the commissioner may have commenced pursuant to section 32-2154 or 32-2157.

7. The department shall provide forms and guidelines for the submission of the notification and public report pursuant to this section.

E. The commissioner may suspend, revoke or deny issuance of a public report on any of the following grounds:

1. Failure to comply with this article or the rules of the commissioner pertaining to this article.

2. The sale or lease would constitute misrepresentation to or deceit or fraud of the purchasers or lessees.

3. Inability to deliver title or other interest contracted for.

4. Inability to demonstrate that adequate financial or other arrangements acceptable to the commissioner have been made for completion of all streets, sewers, electric, gas and water utilities, drainage and flood control facilities, community and recreational facilities and other improvements included in the offering.

5. Failure to make a showing that the lots, parcels or fractional interests can be used for the purpose for which they are offered.

6. The owner, agent, subdivider, officer, director or partner, subdivider trust beneficiary holding ten per cent or more direct or indirect beneficial interest or, if a corporation, any stockholder owning ten per cent or more of the stock in the corporation has:

(a) Been convicted of a felony or misdemeanor involving fraud or dishonesty or involving conduct of any business or a transaction in real estate, cemetery property, time-share intervals or membership camping campgrounds or contracts.

(b) Been permanently or temporarily enjoined by order, judgment or decree from engaging in or continuing any conduct or practice in connection with the sale or purchase of real estate or cemetery property, time-share intervals, membership camping contracts or campgrounds, or securities or involving consumer fraud or the racketeering laws of this state.

(c) Had an administrative order entered against him by a real estate regulatory agency or security regulatory agency.

(d) Had an adverse decision or judgment entered against him involving fraud or dishonesty or involving the conduct of any business or transaction in real estate, cemetery property, time-share intervals or membership camping campgrounds or contracts.

(e) Disregarded or violated this chapter or the rules of the commissioner pertaining to this chapter.

(f) Controlled an entity to which subdivision (b), (c), (d) or (e) applies.

7. Procurement or an attempt to procure a public report by fraud, misrepresentation or deceit or by filing an application for a public report that is materially false or misleading.

8. Failure of the declaration for a condominium created pursuant to title 33, chapter 9, article 2 to

comply with the requirements of section 33-1215 or failure of the plat for the condominium to comply with the requirements of section 33-1219. The commissioner may require an applicant for a public report to submit a notarized statement signed by the subdivider or an engineer or attorney licensed to practice in this state certifying that the condominium plat and declaration of condominium are in compliance with the requirements of sections 33-1215 and 33-1219. If the notarized statement is provided, the commissioner is entitled to rely on this statement.

9. Failure of any blanket encumbrance or valid supplementary agreement executed by the holder of the blanket encumbrance to contain provisions that enable the purchaser to acquire title to a lot or parcel free of the lien of the blanket encumbrance, on completion of all payments and performance of all of the terms and provisions required to be made or performed by the purchaser under the real estate sales contract by which the purchaser has acquired the lot or parcel. The subdivider shall file copies of documents acceptable to the commissioner containing these provisions with the commissioner before the sale of any subdivision lot or parcel subject to a blanket encumbrance.

10. Failure to demonstrate permanent access to the subdivision lots or parcels.

11. The use of the lots presents an unreasonable health risk.

F. It is unlawful for a subdivider to sell any lot in a subdivision unless one of the following occurs:

1. All proposed or promised subdivision improvements are completed.

2. The completion of all proposed or promised subdivision improvements is assured by financial arrangements acceptable to the commissioner. The financial arrangements may be made in phases for common community and recreation facilities required by a municipality or county as a stipulation for approval of a plan for a master planned community.

3. The municipal or county government agrees to prohibit occupancy and the subdivider agrees not to close escrow for lots in the subdivision until all proposed or promised subdivision improvements are completed.

4. The municipal or county government enters into an assurance agreement with any trustee not to convey lots until improvements are completed within the portion of the subdivision containing these lots, if the improvements can be used and maintained separately from the improvements required for the entire subdivision plat. The agreement shall be recorded in the county in which the subdivision is located.

G. If the subdivision is within an active management area, as defined in section 45-402, the commissioner shall deny issuance of a public report or the use of any exemption pursuant to section 32-2181.02, subsection B unless the subdivider has been issued a certificate of assured water supply by the director of water resources and has paid all applicable fees pursuant to sections 48-3772 and 48-3774.01, or unless the subdivider has obtained a written commit-

ment of water service for the subdivision from a city, town or private water company designated as having an assured water supply by the director of water resources pursuant to section 45-576 or is exempt from the requirement pursuant to section 45-576.

H. In areas outside of active management areas, if the subdivision is located in a county that has adopted the provision authorized by section 11-806.01, subsection F or in a city or town that has enacted an ordinance pursuant to section 9-463.01, subsection O, the commissioner shall deny issuance of a public report or the use of any exemption pursuant to section 32-2181.02, subsection B unless one of the following applies:

1. The director of water resources has reported pursuant to section 45-108 that the subdivision has an adequate water supply.

2. The subdivider has obtained a written commitment of water service for the subdivision from a city, town or private water company designated as having an adequate water supply by the director of water resources pursuant to section 45-108.

3. The plat was approved pursuant to an exemption authorized by section 9-463.01, subsection K, pursuant to an exemption authorized by section 11-806.01, subsection G, paragraph 1, pursuant to an exemption granted by the director of water resources under section 45-108.02 and the exemption has not expired or pursuant to an exemption granted by the director of water resources under section 45-108.03.

4. The subdivision received final plat approval from the city, town or county before the requirement for an adequate water supply became effective in the city, town or county, and there have been no material changes to the plat since the final plat approval. If changes were made to the plat after the final plat approval, the director of water resources shall determine whether the changes are material pursuant to the rules adopted by the director to implement section 45-108.

I. A subdivider shall not sell or lease or offer for sale or lease in this state any lots, parcels or fractional interests in a subdivision without first obtaining a public report from the commissioner except as provided in section 32-2181.01 or 32-2181.02. Unless exempt, the sale or lease of subdivided lands prior to issuance of the public report or failure to deliver the public report to the purchaser or lessee shall render the sale or lease rescindable by the purchaser or lessee. An action by the purchaser or lessee to rescind the transaction shall be brought within three years of the date of execution of the purchase or lease agreement by the purchaser or lessee. In any rescission action, the prevailing party is entitled to reasonable attorney fees as determined by the court.

J. Any applicant objecting to the denial of a public report, within thirty days after receipt of the order of denial, may file a written request for a hearing. The commissioner shall hold the hearing within twenty days after receipt of the request for a hearing unless the party requesting the hearing has requested a postponement. If the hearing is not held within

twenty days after a request for a hearing is received, plus the period of any postponement, or if a proposed decision is not rendered within forty-five days after submission, the order of denial shall be rescinded and a public report issued.

K. On the commissioner's own motion, or when the commissioner has received a complaint and has satisfactory evidence that the subdivider or the subdivider's agent is violating this article or the rules of the commissioner or has engaged in any unlawful practice as defined in section 44-1522 with respect to the sale of subdivided lands or deviated from the provisions of the public report, the commissioner may investigate the subdivision project and examine the books and records of the subdivider. For the purpose of examination, the subdivider shall keep and maintain records of all sales transactions and funds received by the subdivider pursuant to the sales transactions and shall make them accessible to the commissioner upon reasonable notice and demand.

L. On the commissioner's own motion, or when the commissioner has received a complaint and has satisfactory evidence that any person has violated this article or the rules of the commissioner or has engaged in any unlawful practice as defined in section 44-1522 with respect to the sale of subdivided lands or deviated from the provisions of the public report or special order of exemption, or has been indicted for fraud or against whom an information for fraud has been filed or has been convicted of a felony, before or after the commissioner issues the public report as provided in subsection A of this section, the commissioner may conduct an investigation of the matter, issue a summary order as provided in section 32-2157, or hold a public hearing and, after the hearing, may issue the order or orders the commissioner deems necessary to protect the public interest and ensure compliance with the law, rules or public report or the commissioner may bring action in any court of competent jurisdiction against the person to enjoin the person from continuing the violation or engaging in or doing any act or acts in furtherance of the violation. The court may make orders or judgments, including the appointment of a receiver, necessary to prevent the use or employment by a person of any unlawful practices, or which may be necessary to restore to any person in interest any monies or property, real or personal, that may have been acquired by means of any practice in this article declared to be unlawful.

M. When it appears to the commissioner that a person has engaged in or is engaging in a practice declared to be unlawful by this article and that the person is concealing assets or self or has made arrangements to conceal assets or is about to leave the state, the commissioner may apply to the superior court, ex parte, for an order appointing a receiver of the assets of the person or for a writ of ne exeat, or both.

N. The court, on receipt of an application for the appointment of a receiver or for a writ of ne exeat, or both, shall examine the verified application of the commissioner and other evidence that the commis-

sioner may present the court. If satisfied that the interests of the public require the appointment of a receiver or the issuance of a writ of ne exeat without notice, the court shall issue an order appointing the receiver or issue the writ, or both. If the court determines that the interests of the public will not be harmed by the giving of notice, the court shall set a time for a hearing and require notice be given as the court deems satisfactory.

O. If the court appoints a receiver without notice, the court shall further direct that a copy of the order appointing a receiver be served on the person engaged in or engaging in a practice declared to be unlawful under this article by delivering the order to the last address of the person that is on file with the state real estate department. The order shall inform the person that the person has the right to request a hearing within ten days of the date of the order and, if requested, the hearing shall be held within thirty days from the date of the order.

G. Nothing contained in this section shall apply to the owner or publisher of a newspaper or magazine or to any other publication of printed matter wherein such advertisement appears or to the owner or operator of a radio or television station which disseminates such advertisement when the owner, publisher or operator has no knowledge of the intent, design or purpose of the advertiser.

H. For any subdivision investigation made under section 32-2183 of an out-of-state subdivision or any in-state subdivision to which the commissioner issues any order necessary to protect the public interest and insure compliance with the law, rules or public report, the subdivider shall reimburse travel and subsistence expenses incurred by the department.

I. A subdivider may hold a drawing or contest to induce prospective buyers to visit a subdivision if all of the following requirements are met:

1. The subdivision has in effect a current public report.

2. The subdivider is not the subject of an ongoing investigation by the department. The department may give permission to hold a drawing or contest to a subdivider who is the subject of an ongoing investigation.

4. Any drawing or contest is limited in time, scope and geographic location.

5. The material terms of the drawing or contest are fully disclosed in writing to participants.

6. No fee is charged to any person who participates in a drawing or contest.

7. No participant in a drawing or contest, as a condition of participation, must attend a sales presentation or take a tour.

8. The subdivider is in compliance with all other applicable federal, state and local laws involving drawings or contests.

9. The subdivider is responsible at all times for the lawful and proper conduct of any drawing or contest.

The commissioner shall also provide notice of the order or suspension to all affected parties with an ownership interest of record in any lot, parcel or fractional interest in the subdivision property within ten business days of issuing the order of suspension.

The commissioner may adopt regulations to exempt commercial and industrial subdivisions from such requirements.

Any contract, agreement or lease which fails to make disclosures pursuant to this section shall not be enforceable against the purchaser. **32-2188. Statute of limitations; service of summons; application for payment; insufficient monies; definition**

A. An action for a judgment that subsequently results in an order for payment from the real estate recovery fund shall not be started later than five years from the accrual of the cause of action.

B. If an aggrieved person commences an action for a judgment that may result in an order for payment from the real estate recovery fund, and the defendant licensee cannot be served process personally in this state, the summons may be served by the alternative methods of service provided for by the Arizona rules of civil procedure, including service by publication. A judgment that complies with the provisions of this section and that was obtained after service by publication only applies to and is enforceable against the real estate recovery fund. The department may intervene in and defend any such action.

C. An aggrieved person may apply to the department for payment from the real estate recovery fund after the aggrieved person obtains a judgment against a real estate or cemetery broker or salesperson based on the licensee's act, representation, transaction or conduct in violation of this chapter or the rules adopted pursuant to this chapter. The claimant must file the original application, including appendices, within two years after the termination of all proceedings, reviews and appeals connected with the judgment. The commissioner, in the commissioner's sole discretion, may waive the two-year application deadline if the commissioner determines that the waiver best serves the public interest. Delivery of the application must be by personal service or by certified mail, return receipt requested.

D. The application must be within the limitations prescribed in section 32-2186 for the amount unpaid on the judgment that represents the claimant's actual and direct loss on the transaction.

E. The department shall prescribe and supply an application form that includes detailed instructions with respect to documentary evidence, pleadings, court rulings, the products of discovery in the underlying litigation and notice requirements to the judgment debtor under section 32-2188.01. The claimant must submit the claim on an application form supplied by the department. The application must include:

1. The claimant's name and address.
2. If the claimant is represented by an attorney, the attorney's name, business address and telephone number.

3. The judgment debtor's name and address or, if unknown, the names and addresses of persons who may know the judgment debtor's present location.

4. A detailed narrative statement of the facts explaining the allegations of the complaint on which the underlying judgment is based, with a copy of the contracts, receipts and other documents from the transaction, the last amended complaint, all existing recorded judgments, documentation of actual and direct out-of-pocket losses and any offsetting payment received and all collection efforts attempted.

5. The identification of the judgment, the amount of the claim and an explanation of its computation, including an itemized list of actual and compensatory damages awarded and claimed.

6. For the purpose of an application that is not based on a criminal restitution order, a statement by the claimant, signed under penalty of perjury, that the complaint on which the underlying judgment is based was prosecuted conscientiously and in good faith. For the purposes of this paragraph, "conscientiously and in good faith" means that all of the following apply:

(a) No party that was potentially liable to the claimant in the underlying transaction was intentionally and without good cause omitted from the complaint.

(b) No party named in the complaint who otherwise reasonably appeared capable of responding in damages was intentionally and without good cause dismissed from the complaint.

(c) The claimant employed no other procedural means contrary to the diligent prosecution of the complaint in order to seek to qualify for the recovery fund.

7. For the purpose of an application that is based on a criminal restitution order, all of the following statements by the claimant, signed under penalty of perjury:

(a) The claimant has not intentionally and without good cause failed to pursue any person potentially liable to the claimant in the underlying transaction other than a defendant who is the subject of a criminal restitution order.

(b) The claimant has not intentionally and without good cause failed to pursue in a civil action for damages all persons potentially liable to the claimant in the underlying transaction who otherwise reasonably appeared capable of responding in damages other than a defendant who is the subject of a criminal restitution order.

(c) The claimant employed no other procedural means contrary to the diligent prosecution of the complaint in order to seek to qualify for the recovery fund.

8. The following statements, signed under penalty of perjury, and information from the claimant:

(a) The claimant is not a spouse of the judgment debtor or a personal representative of the spouse.

(b) The claimant has complied with all of the requirements of this article.

(c) The judgment underlying the claim meets the requirements of this article.

(d) The claimant has recorded a certified copy of the superior court judgment or transcript of judgment pursuant to sections 33-961 and 33-962 in the county where the judgment was obtained and in the county where all judgment debtors reside and has provided a copy of the recorded judgment to the commissioner.

(e) The claimant has caused the judgment debtor to make discovery under oath, pursuant to section 12-1631, concerning the debtor's property.

(f) The claimant has caused a writ of execution to be issued on the judgment and the officer executing the writ has made a return showing either:

(i) That no personal or real property of the judgment debtor liable to be levied on in satisfaction of the judgment could be found, sold or applied.

(ii) That the amount realized on the sale of the property, or as much of the property that was found, under the execution was insufficient to satisfy the judgment.

(g) The claimant has caused a writ of garnishment to be issued to each known employer of the judgment debtor ascertained by the claimant, that each garnishee-defendant has complied with the respective writ and any judgment or order resulting from the writ and that the amount realized from all judgments against the garnishee-defendants was insufficient to satisfy the balance due on the judgment.

(h) The claimant has deducted the following amounts from the actual or compensatory damages awarded by the court:

(i) Any amount recovered or anticipated from the judgment debtor or debtors.

(ii) Any amount recovered through collection efforts undertaken pursuant to subdivisions (d) through (g) of this paragraph and including an itemized valuation of the assets discovered and amounts applied.

(iii) Any amount recovered or anticipated from bonding, insurance or title companies, including recovery of punitive damages.

(iv) Any amount recovered or anticipated from in-court or out-of-court settlements.

(v) Any amount of tax benefits accrued or taken as deductions on federal, state or local income tax returns.

F. If the claim is based on a judgment against a salesperson or broker and the claimant has not obtained a judgment against the salesperson's or broker's employing broker, if any, or has not diligently pursued the assets of the employing broker, the department shall deny the claim for failure to diligently pursue the assets of all other persons liable to the claimant in the transaction unless the claimant demonstrates, by clear and convincing evidence, that either:

1. The salesperson or broker was not employed by a broker at the time of the transaction.

2. The salesperson's or broker's employing broker would not have been liable to the claimant because the salesperson or broker acted outside the scope of employment in the transaction.

G. The commissioner, at the commissioner's sole discretion, may waive compliance with one or more of

the requirements enumerated in subsection E, paragraph 8 or subsection F of this section if the claim is based on an award pursuant to a criminal restitution order or if the commissioner is satisfied that the claimant has taken all reasonable steps to collect the amount of the judgment or the unsatisfied part of the judgment from all judgment debtors but has been unable to collect.

H. If the commissioner finds it is likely that the total remaining liability of the recovery fund is insufficient to pay in full the valid claims of all aggrieved persons who may have claims against any one licensee, the commissioner may petition the court to initiate a proration proceeding. The court shall grant the petition and order a hearing to distribute the total remaining liability of the fund among the applicants in the ratio that their respective claims bear to the aggregate of the valid claims or in such other manner as the court deems equitable. The commissioner or any party may file a proposed plan for equitable distribution of the available monies. The distribution of monies shall be among the persons entitled to share them, without regard to the order of priority in which their respective judgments may have been obtained or their respective applications may have been filed. The court may require all applicants and prospective applicants against one licensee to be joined in one action, to the end that the respective rights of all the applicants to the recovery fund may be equitably adjudicated and settled. The court shall not include in the claims for proration the claim of any person who has not, within ninety days after the court has entered the order for proration, filed a complaint with the court, served the licensee and provided written notice of the claim to the commissioner. The liability of the fund on any application affected by a proration proceeding is based on the limits in effect on the date when the last application for payment is filed. The court may refuse to consider or award prorated recovery to any person who fails to expeditiously prosecute a claim against the licensee or promptly file an application for payment and submit supporting documentation as required by this article.

I. If the commissioner pays from the real estate recovery fund any amount in settlement of an applicant's claim or toward satisfaction of a judgment against a licensed broker, designated broker for a corporation or salesperson, the license of the broker, designated broker for a corporation or salesperson shall be automatically terminated upon the issuance of an order authorizing payment from the real estate recovery fund. A broker, designated broker for a corporation or salesperson is not eligible to receive a new license until the licensee has repaid in full, plus interest at the rate provided by section 44-1201, subsection A, the amount paid from the real estate recovery fund on the licensee's account and has provided evidence to the commissioner that the judgment has been fully satisfied.

J. If, at any time, the money deposited in the real estate recovery fund is insufficient to satisfy any duly authorized claim or portion of a claim, the commis-

sioner shall, when sufficient money has been deposited in the real estate recovery fund, satisfy the unpaid claims or portions of claims, in the order that the claims or portions of claims were originally filed, plus accumulated interest at the rate of four per cent a year.

K. For the purposes of this section, "complaint" means the facts of the transaction on which the judgment is based.

#### 32-2193.02. Surety bond requirement; form; cancellation; effective date; certificate of deposit

A. 3. The licensee or applicant has had an administrative order entered against him or it by a real estate regulatory agency or security regulatory agency.

B. The bond required by subsection A of this section shall be in a form acceptable to the commissioner and shall be executed by the applicant or licensee as principal with a corporation duly authorized to transact surety business in this state. Evidence of a surety bond shall be submitted to the commissioner in accordance with rules adopted by the commissioner. The bond shall be in favor of this state and is subject to claims solely for actual damages including reasonable attorney's fees suffered by persons injured as described in section 32-2186. ##### **32-2193.32. Condominium recovery fund; award limits**

A. The commissioner shall establish and maintain the condominium recovery fund for the benefit of any buyer aggrieved by the failure of a subdivider of a condominium to complete the condominium project. The fund shall pay only for losses to the aggrieved person directly arising out of the real estate transaction, including reasonable attorney fees and court costs, in which both of the following apply:

1. The contract between the buyer and the subdivider in connection with the sale of a condominium is terminated without default by the buyer and the subdivider fails to refund the buyer's deposit in accordance with the terms of the contract.

2. In accordance with the terms of the contract between the subdivider and the buyer, the subdivider is not required to and has not placed the deposits in a neutral escrow account at a company licensed to perform escrow business in this state pursuant to title 6, chapter 7 or in the trust account of a real estate broker licensed pursuant to this chapter for the benefit of the purchaser.

B. An award from the fund shall not exceed:

1. Twenty per cent of the base price for each unit, according to the contract between the subdivider and the aggrieved buyer in the transaction.

2. One million dollars for each project, regardless of the number of buyers aggrieved or the number of units involved.

C. When awards from the fund are made and have reached the limits prescribed by subsection B, further awards shall not be made from the fund to compensate a buyer for the acts of a subdivider.

D. The fund may pay only for losses arising out of a transaction in which the defendant subdivider failed to complete the condominium project. The fund shall not pay for losses in a subdivision of detached, single-family homes.

E. The fund is not liable for damages or losses resulting from or caused by any of the following:

1. Speculation, including lost profits and other unrealized losses.

2. Transactions for condominiums in which the deposits were held by a neutral escrow company licensed to perform escrow business in this state pursuant to title 6, chapter 7 or in the trust account of a real estate broker licensed pursuant to this chapter.

3. Loans, notes, limited partnerships or other securities, regardless of whether the loss was caused by an investment in or was secured by real property.

4. A judgment entered against a bonding company if the bonding company is not a principal in the underlying real estate transaction.

5. A tenant's conduct or neglect.

6. Vandalism.

7. Natural causes.

8. Punitive damages.

9. Postjudgment interest.

10. Undocumented transactions or losses. 2007

##### **32-2193.33. Payments to the condominium recovery fund**

In addition to any other fees, an applicant for a public report for a condominium shall pay to the condominium recovery fund an amount established by the commissioner if, on June 30 of the previous fiscal year, the balance remaining in the condominium recovery fund is less than five million dollars. 2007

**Recent legislative year:** Laws 2007, Ch. 221, § 1.

##### **32-2193.34. Statute of limitations; service of summons; application for payment; insufficient monies; definition**

A. An action for a judgment that subsequently results in an order for payment from the condominium recovery fund shall be commenced or prosecuted within three years after the cause of action accrues.

B. If an aggrieved buyer commences an action for a judgment that may result in an order for payment from the condominium recovery fund and the defendant subdivider cannot be served personally in this state, the summons may be served by the alternative methods of service provided for by the Arizona rules of civil procedure, including service by publication. A judgment that complies with this section and that was obtained after service by publication only applies to and is enforceable against the condominium recovery fund. The department may intervene in and defend any such action.

C. After an aggrieved buyer obtains a judgment against a subdivider based on the subdivider's failure to perform under the terms of the contract, the aggrieved buyer may apply to the department for payment from the condominium recovery fund and for

a return of the buyer's deposit. The claimant must file the original application, including appendices, within two years after the termination of all proceedings, reviews and appeals connected with the judgment. The commissioner, in the commissioner's sole discretion, may waive the two-year application deadline if the commissioner determines that the waiver best serves the public interest. Delivery of the application must be by personal service or by certified mail.

D. The application must be within the limitations prescribed in section 32-2193.32 for the amount unpaid on the judgment that represents the claimant's losses in the transaction.

E. The department shall prescribe an application form that includes detailed instructions with respect to documentary evidence, pleadings, court rulings, products of discovery in the underlying litigation and notice requirements to the judgment debtor under section 32-2193.35.

F. The commissioner may waive compliance with one or more of the requirements of this section if the claim is based on an award pursuant to a criminal restitution order or if the commissioner is satisfied that the claimant has taken all reasonable steps to collect the amount of the judgment or the unsatisfied part of the judgment from all judgment debtors but has been unable to collect.

G. If the commissioner finds it is likely that, to pay in full the valid claims of all aggrieved persons who may have claims against any one subdivider, the awards from the fund will exceed the award limits prescribed by section 32-2193.32, the commissioner may petition the court to initiate a proration proceeding. The court shall grant the petition and order a hearing to distribute the fund awards among the claimants in the ratio that their respective claims bear to the aggregate of the valid claims or in another manner as the court deems equitable. The commissioner or any party may file a proposed plan for equitable distribution of the available monies. The monies shall be distributed among the persons entitled to share them without regard to the order of priority in which their respective judgments may have been obtained or their respective applications may have been filed. The court may require all claimants and prospective claimants against one subdivider to be joined in one action so that the respective rights of all claimants to the condominium recovery fund may be equitably adjudicated and settled. The court shall not include in the claims for proration the claim of any person who, within ninety days after the court has entered the order for proration, has not filed a complaint with the court, served the subdivider and provided written notice of the claim to the commissioner. The liability of the fund on any application affected by a proration proceeding is based on the limits in effect on the date when the last application for payment is filed. The court may refuse to consider or award prorated recovery to any person who fails to expeditiously prosecute a claim against the subdivider or promptly file an application for payment and submit supporting documentation as required by this article.

H. If the commissioner pays from the condominium recovery fund any amount in settlement of a claimant's claim or toward satisfaction of a judgment against a subdivider, the public report issued to that subdivider for the condominium subject to the judgment shall be automatically terminated on the issuance of an order authorizing payment from the condominium recovery fund.

I. If at any time the monies deposited in the condominium recovery fund are insufficient to satisfy any duly authorized claim or portion of a claim, the commissioner, when sufficient money has been deposited in the fund, shall satisfy the unpaid claims or portions of claims in the order that they were originally filed, plus accumulated interest at the rate of four per cent per year.

J. For the purposes of this section, "complaint" means the facts of the transaction on which the judgment is based.

2007

**Recent legislative year:** Laws 2007, Ch. 221, § 1.

### **32-2193.35. Notice of claim to judgment debtor; written response**

A. Within the same time prescribed by section 32-2193.34, subsection C for applying for payment from the condominium recovery fund, an aggrieved buyer who applies for payment shall serve notice of the claim on the judgment debtor, together with a copy of the application. The notice shall be in the form prescribed by the commissioner.

B. To contest payment from the condominium recovery fund, the judgment debtor must file a written response with the commissioner within thirty-five calendar days after service of the notice on the judgment debtor and send a copy of the response to the claimant. Failure by the judgment debtor to timely file a response constitutes a waiver of objection.

C. If the judgment debtor holds a current license, the notice and copy of the application may be served by certified mail addressed to the judgment debtor's latest business or residence address on file with the department. If the judgment debtor does not hold a current license and if by exercising reasonable diligence the claimant cannot effect personal service or service on the judgment debtor's statutory agent, the claimant must publish the notice once a week for two consecutive weeks in a newspaper of general circulation in the county in which the judgment debtor was last known to reside.

D. If the judgment debtor fails to file a written response to the application with the department within thirty-five calendar days after service pursuant to subsection B of this section or after the first publication of the notice, the judgment debtor is not entitled to notice of any action taken or proposed to be taken by the commissioner with respect to the claim.

2007

For the purposes of this subsection, "comply substantially" means filing with the department the documents that are minimally necessary to process a claim, including at least a certified copy of the judgment, legible copies of documents establishing the underlying transaction and amounts of losses suffered and a statement concerning amounts recovered from or on behalf of the judgment debtor.

B. The claimant must respond within sixty calendar days after receiving the list of deficiencies by providing the information identified by the commissioner. If the claimant fails to correct the deficiencies within sixty calendar days, the department shall close the file unless the claimant requests an extension in writing. A claimant whose file has been closed may submit a new application as provided by section 32-2193.34.

C. The deadline prescribed by section 32-2193.38 for the commissioner to make a decision on the application is suspended from the date the commissioner mails the list of deficiencies to the applicant until the date the department receives the requested information. 2007

### **32-2193.37. Investigation and discovery**

The ninety day time period begins under this subsection on the date the department receives an application that is substantially complete.

3. The claimant agrees in writing to extend the time for making a decision.

B. If the commissioner fails to render a written decision and order on a claim within ninety calendar days or within an extended period of time provided under subsection A of this section, the claim is considered to be approved on the day following the final day for rendering the decision.

C. The commissioner shall give notice of a decision and order with respect to the claim to the claimant

and to any judgment debtor who has filed a timely response to the claim pursuant to section 32-2193.35 as follows:

1. If the commissioner denies the application, the notice shall state that:

The claimant's application has been denied and the claimant may pursue the application in court pursuant to section 32-2193.39, Arizona Revised Statutes.

2. If the commissioner approves a payment to the claimant from the condominium recovery fund, the commissioner shall give notice of the decision to the judgment debtor with a copy of the decision and order and shall advise the subdivider that the subdivider's public report will be automatically suspended, pending repayment to the fund, plus interest at the rate provided by section 44-1201, subsection A. Service on the commissioner shall be made by certified mail addressed to the commissioner. Service on a judgment debtor shall be made pursuant to section 32-2193.35 and shall include notice that an application has been filed with the court for a claim against the condominium recovery fund that was previously denied by the commissioner.

B. There is a presumption that cemetery property in any cemetery licensed under this chapter has been abandoned when an owner of unused cemetery property has failed to provide the cemetery with a current residence address for a period of fifty consecutive years and as a result the cemetery is unable to communicate by certified mail with the owner of the unused cemetery property. E. The cemetery shall publish a notice of the approved abandoned cemetery property once each week for two consecutive weeks in a newspaper of general circulation in the county in which the cemetery property is located.

F. After one hundred twenty days from the final publication of the notice as provided in subsection E of this section, if there has been no notification of the address of the current owner, the cemetery shall have the right to resell the cemetery property and transfer the ownership of the cemetery property as provided in the cemetery's certificate of authority.

G. On the sale of each lot, grave, niche or crypt reclaimed pursuant to this section, the cemetery shall contribute to the endowed-care trust fund the amount currently required by section 32-2194.28.

H. On showing of evidence of right of ownership, persons or their heirs who were owners of cemetery property that was sold under this section shall have the right at any time to obtain equivalent cemetery property in the cemetery without additional charge. If no cemetery property is desired, the persons or their heirs may obtain and recover the amount originally paid to the cemetery for the cemetery property.

I. The cemetery shall make available cemetery property equal to ten per cent of the abandoned cemetery property sold under this section for the use of persons or their heirs who were owners of cemetery property that was sold under this section and who have the right at any time to obtain cemetery property in the cemetery under this section.

A. In his discretion the commissioner may exempt by special order from any one or all of the provisions of this article certain unsubdivided land on written petition and on a showing by the petitioner, satisfactory to the commissioner, that compliance with this article is not essential to the public interest or for the protection of buyers by reason of the special characteristics of the unsubdivided land or the limited character and duration of the offer for sale, lease or financing.

B. The special order pursuant to this section shall relate to specific land.

C. A petition filed under this section shall be accompanied by an initial fee of one hundred dollars. The fees are not returnable irrespective of the nature of the action taken on the petition. 1989

**32-2195.02. Examination of unsubdivided land by commissioner; fee**

An initial filing fee of five hundred dollars shall accompany the written notification required in sections 32-2195 and 32-2195.10. 1989

A. Upon examination of unsubdivided land, the commissioner, unless there are grounds for denial, shall prepare and issue to the owner or agent a public report authorizing the sale or lease of the unsubdivided lands in this state. The report shall contain the data obtained in accordance with section 32-2195 and any other information which the commissioner determines is necessary to implement the purposes of this article. If any of the unsubdivided land is located within territory in the vicinity of a military airport or ancillary military facility as defined in section 28-8461, the report shall include, in bold twelve point font block letters on the first page of the report, the statements required pursuant to section 28-8484, subsection A and, if the department has been provided a map prepared pursuant to section 28-8484, subsection B, the report shall include a copy of the map. These report requirements do not require the amendment or reissuance of any public report issued on or before December 31, 2001 or on or after December 31 of the year in which the unsubdivided land becomes territory in the vicinity of a military airport or ancillary military facility. The commissioner shall require the owner or agent to reproduce the report and furnish each prospective buyer with a copy before the buyer signs an offer to purchase, taking a receipt therefor.

B. Notwithstanding any provision of subsection A of this section, an owner may prepare a final public report for use in the sale of unsubdivided lands as defined in section 32-2101, as follows:

5. An owner may commence sales or leasing activities as permitted under this article after obtaining a certificate of administrative completeness from the commissioner.

6. Before or after the commissioner issues a certificate of administrative completeness, the department may examine any public report, development or applicant that has applied for or received the certificate. If the commissioner determines that the owner or development is not in compliance with any requirement of state law or that grounds exist under this chapter to suspend, deny or revoke a public report, the commissioner may commence an administrative action under section 32-2154 or 32-2157. If the owner immediately corrects the deficiency and comes into full compliance with state law, the commissioner shall vacate any action that he may have commenced pursuant to section 32-2154 or 32-2157.

7. The department shall provide forms and guidelines for the submission of the notification and public report pursuant to this section.

C. The commissioner may deny issuance of a public report on any of the following grounds:

An action by the purchaser to void the transaction shall be brought within three years of the date of execution of the purchase agreement by the purchaser. In any avoidance action the prevailing party is entitled to reasonable attorney fees as determined by the court.

E. Any applicant objecting to the denial of a public report, within thirty days after receipt of the order of denial, may file a written request for a hearing. The commissioner shall hold the hearing within twenty days after receipt of the request for a hearing unless the party requesting the hearing requests a postponement. If the hearing is not held within twenty days after a request for a hearing is received plus the period of any postponement, or if a proposed decision is not rendered within forty-five days after submission, the order of denial shall be rescinded and a public report issued.

F. On the commissioner's own motion, or when the commissioner has received a complaint and has satisfactory evidence that the owner or agent is violating any provision set forth in this article or the rules of the commissioner or has engaged in any unlawful practice as defined in section 44-1522 with respect to the sale of unsubdivided lands or deviated from the provisions of the public report, the commissioner may investigate the subdivision project and examine the

books and records of the owner or agent. For the purpose of examination, the owner or agent shall keep and maintain records of all sales transactions and funds received by the owner or agent pursuant to the sales transactions and shall make them accessible to the commissioner upon reasonable notice and demand.

G. On the commissioner's own motion, or when the commissioner has received a complaint and has satisfactory evidence that grounds exist as provided in subsection C of this section or that any person has engaged in any unlawful practice as defined in section 44-1522 with respect to the sale of unsubdivided lands or deviated from the provisions of the public report, the commissioner may conduct an investigation of the matter, issue a summary order as provided in section 32-2157, or hold a public hearing and, after the hearing, may issue the order or orders the commissioner deems necessary to protect the public interest and ensure compliance with the law, rules or public report. If, after the hearing, the violation of the law, rules or public report continues, the commissioner may bring an action in any court of competent jurisdiction against the person to enjoin the person from continuing the violation or engaging in or doing any act or acts in furtherance of the violation. 2004

The rescission rights shall be conspicuously disclosed in the purchase agreement. If the developer allows the rescission period to extend beyond the seven calendar days, the rescission period disclosure in the purchase agreement shall reflect the longer period of time. The disclosure required by this subsection shall be printed immediately before the space reserved in the purchase agreement for the signature of the purchaser and shall include the following information:

For sales made after the material change and pending amendment of the public report, the commissioner may require the developer to fully disclose the change in a prepared supplement to the public report. The supplement shall be delivered with the previously

approved public report to all prospective purchasers until the new public report is issued. The commissioner shall not require the developer to deliver the amended public report to or obtain a receipt from prior purchasers unless the commissioner specifically finds that the developer's disclosure of the changes was not an adequate disclosure. 2001

**Recent legislative year:** Laws 2001, Ch. 170, § 9.

(j) Any other information that the developer, with the approval of the commissioner, desires to include in the public report.

16. If a developer offers a nonspecific timeshare interest in a multisite timeshare plan, the information set forth in paragraphs 1 through 14 of this subsection as to each component site.

17. Any other information that the commissioner determines or establishes by rule is necessary to implement the purpose of this article.

B. In the event of denial, suspension or revocation, grounds shall be set forth in writing at the time of denial, suspension or revocation. The commissioner may deny, suspend or revoke the public report on any of the following grounds:

1. Failure to comply with this article or the rules of the commissioner pertaining to this article.

2. The sale or lease would constitute misrepresentation to or deceit or fraud of the purchasers or lessees.

3. Inability to demonstrate that adequate financial or other arrangements acceptable to the commissioner have been made for completion of the timeshare property, installation of all streets, sewers, electric, gas and water utilities, drainage, flood control and other similar improvements included in the offering.

4. The developer, including if an entity, an officer, director, member, manager, partner, owner, trust beneficiary holding ten per cent or more beneficial interest, stockholder owning ten per cent or more of the stock or other person exercising control of the entity, has:

(a) Been convicted of a felony or misdemeanor involving theft, fraud or dishonesty or involving the conduct of any business or a transaction in real estate, cemetery property, timeshare interests or membership camping campgrounds or contracts.

(b) Been permanently or temporarily enjoined by order, judgment or decree from engaging in or continuing any conduct or practice in connection with the sale or purchase of real estate, cemetery property, timeshare interests, membership camping campgrounds or contracts, or securities or involving consumer fraud or the Arizona racketeering laws.

(c) Had an administrative order entered against him by a real estate regulatory agency or securities regulatory agency.

(d) Had an adverse decision or judgment entered against him involving fraud or dishonesty or involving the conduct of any business in or a transaction in real estate, cemetery property, timeshare interests or membership camping campgrounds or contracts.

(e) Disregarded or violated this chapter or the rules of the commissioner pertaining to this chapter.

(f) Participated in, operated or held an interest in any entity to which subdivision (b), (c), (d), or (e) of this paragraph applies.

5. If within this state, the timeshare property is incompatible with the existing neighborhood and would introduce into a neighborhood a character of property or use that would clearly be detrimental to property values in that neighborhood.

C. If the timeshare property is within an active management area, as defined in section 45-402, the commissioner shall deny issuance of a public report unless the developer has been issued a certificate of assured water supply by the director of water resources and has paid all applicable fees pursuant to sections 48-3772 and 48-3774.01, or unless the developer has obtained a written commitment of water service for the timeshare property from a city, town or private water company designated as having an assured water supply by the director of water resources pursuant to section 45-576.

D. In areas outside of active management areas, if the timeshare property is located in a county that has adopted the provision authorized by section 11-806.01, subsection F or in a city or town that has enacted an ordinance pursuant to section 9-463.01, subsection O, the commissioner shall deny issuance of a public report unless one of the following applies:

1. The director of water resources has reported pursuant to section 45-108 that the timeshare property has an adequate water supply.

2. The developer has obtained a written commitment of water service for the timeshare property from a city, town or private water company designated as having an adequate water supply by the director of water resources pursuant to section 45-108.

3. The timeshare property was approved pursuant to an exemption authorized by section 9-463.01, subsection K, pursuant to an exemption authorized by section 11-806.01, subsection G, paragraph 1, pursuant to an exemption granted by the director of water resources under section 45-108.02 and the exemption has not expired or pursuant to an exemption granted by the director of water resources under section 45-108.03.

4. The subdivision received final plat approval from the city, town or county before the requirement for an adequate water supply became effective in the city, town or county, and there have been no material changes to the plat since the final plat approval. If changes were made to the plat after the final plat approval, the director of water resources shall determine whether the changes are material pursuant to

the rules adopted by the director to implement section 45-108.

E. In addition to providing to each prospective customer a copy of the public report as required in subsection A of this section, the developer shall also provide to each customer before the close of any transaction information and materials that identify any timeshare exchange companies currently under contract and disclosure statements regarding the use of the timeshare exchange companies, as well as any additional information the commissioner deems appropriate.

F. The commissioner may authorize for use in this state by a developer of a timeshare plan in which all accommodations are located outside of this state a current public report that is issued by another jurisdiction or an equivalent registration and disclosure document that is required before offering a timeshare plan for sale, lease or use and that is issued by another jurisdiction. This authorization does not constitute an exemption from other applicable requirements of this article.

### 32-2197.09. Rescindable sale or lease

A person shall not sell or lease or offer for sale or lease in this state timeshare interests in a timeshare plan without first obtaining a public report or authorization to conduct pre-sales from the commissioner. Unless exempt, any sale or lease of timeshare interests in a timeshare plan that consists of twelve or more timeshare interests before issuance of the public report or authorization to conduct pre-sales or failure to deliver the public report or evidence of pre-sale authorization renders the sale or lease rescindable by the purchaser or lessee. An action by the purchaser or lessee to rescind the transaction must be brought within three years of the date of the execution of the purchase or lease agreement by the purchaser. In any rescission action, the prevailing party is entitled to reasonable attorney fees as determined by the court.

### 32-2197.10. Timeshare interest reservations

A. The notice of intent required by section 32-2197.02 and the approval for use of a public report required by section 32-2197.08 are not required for any party to enter into a timeshare interest reservation.

B. Before the approval for use of a public report for a timeshare plan, a deposit may be accepted from a prospective buyer for a timeshare interest reservation if all of the following requirements are met:

1. Before accepting any timeshare interest reservation the prospective seller shall mail or deliver, or provide in written, CD-ROM or other electronic format as approved by the commissioner, notice of the seller's intention to accept timeshare interest reservations to the department. The notice shall include:

(a) The name, address and telephone number of the prospective seller.

(b) The name, address and telephone number of any real estate broker retained by the prospective seller to promote the timeshare interest reservation program.

(c) The name and location of the timeshare property for which timeshare interest reservations are to be offered.

(d) The form to be used for accepting timeshare interest reservations subject to approval by the commissioner.

(e) The name and address of the independent third party escrow or trust account agent responsible for holding the reservation deposits.

2. The reservation deposit for a single timeshare interest shall not exceed twenty per cent of the purchase price.

3. Within one business day after a reservation is accepted by the prospective seller, the reservation deposit shall be delivered to an independent third party escrow or trust account in a federally insured depository. The account may be interest bearing at the direction of either the prospective seller or prospective buyer. Payment of any account fees and payment of interest monies shall be as agreed to between the prospective buyer and prospective seller. All reservation deposits shall remain in the account until cancellation or termination of the timeshare interest reservation or execution of a purchase agreement.

4. Within fifteen calendar days after the prospective seller receives the public report approved for use by the commissioner relating to the reserved timeshare interest, the prospective seller shall provide the prospective buyer with a copy of the public report and a copy of the proposed purchase agreement for the sale of the timeshare interest. The prospective buyer and prospective seller shall have seven business days after the prospective buyer's receipt of the public report and the proposed purchase agreement to enter into a contract for the purchase of the timeshare interest. If the prospective buyer and prospective seller do not enter into a contract for the purchase of the timeshare interest within the seven business day period, the reservation automatically terminates. The prospective seller has no cancellation rights concerning a timeshare interest reservation other than as provided in this subsection.

5. A prospective buyer may cancel a timeshare interest reservation at any time before the execution of a purchase agreement by delivering written notice of termination to the prospective seller as provided in paragraph 9 of this subsection.

6. Within five business days after a timeshare interest reservation has been terminated for any reason the prospective seller shall refund to the prospective buyer all reservation deposits made by the prospective buyer including any interest monies earned less any account fees agreed on if applicable. The independent third party escrow account or trust account agent shall refund to the prospective buyer all reservation deposits made by the prospective buyer including any interest monies earned less any account fees agreed on if the prospective seller is not

available. After the refund neither the prospective buyer nor the prospective seller has any obligation arising out of the timeshare interest reservation.

7. A prospective buyer may not transfer rights under a reservation without the prior written consent of the prospective seller, and any purported transfer without the consent of the prospective seller is voidable at the sole discretion of the prospective seller.

8. If the department denies an application for a public report on a timeshare plan on which timeshare interest reservations were taken, within five business days of notification by the department the prospective seller shall notify in writing each prospective buyer who entered into a timeshare interest reservation agreement. The prospective seller shall return any reservation deposits previously taken.

9. All notices required by this section to be given to the department, the prospective buyer or the prospective seller shall be in writing and either hand delivered or sent by certified mail, return receipt requested with postage fully prepaid. Notices sent by mail are deemed delivered on the earlier of actual receipt, as evidenced by the delivery receipt, or seven calendar days after being deposited in the United States mail.

10. Each timeshare interest reservation form shall contain the following statement in conspicuous type:

The Arizona department of real estate has not inspected or approved this timeshare property and no public report has been issued for the timeshare plan. No offer to sell may be made and no offer to purchase may be accepted before issuance of a public report or pre-sale authorization for the timeshare plan.

C. The commissioner may deny, suspend or revoke authorization to accept timeshare interest reservations under this section to any person who has violated any provision of this chapter. 2001

#### **32-2197.11. Developer supervisory duties**

The developer shall supervise, manage and control all aspects of the offering of the timeshare plan, including promotion, advertising, contracting and closing. The developer is responsible for each timeshare plan registered by the developer with the department and for the actions of any sales agent or managing entity used by the developer in the offering or selling of any registered timeshare plan. Any violation of this article that occurs during the offering activities shall be deemed to be a violation by the developer as well as by the sales agent or managing entity who actually committed the violation. The developer is responsible for the actions of the association and managing entity only while they are subject to the developer's control, as provided in the timeshare instruments or by law. 2001

**Recent legislative year:** Laws 2001, Ch. 170, § 15.

#### **32-2197.12. Blanket encumbrance; lien; alternative assurance**

Excluding any encumbrance placed against the purchaser's timeshare interest securing the purchas-

er's payment of purchase money financing for the purchase, the developer is not entitled to the release of any monies placed in escrow under section 32-2197.05 with respect to each timeshare interest and any other property or rights to property appurtenant to the timeshare interest, including any amenities represented to the purchaser as being part of the timeshare plan, until the developer has provided satisfactory evidence to the commissioner of one of the following:

1. The timeshare interest together with any other property or rights to property appurtenant to the timeshare interest, including any amenities represented to the purchaser as being part of the timeshare plan, are free and clear of any of the claims of the developer, any owner of the underlying fee, a mortgagee, judgment creditor or other lienor or any other person having a blanket encumbrance against the timeshare interest or appurtenant property or property rights.

2. The developer, any owner of the underlying fee, a mortgagee, judgment creditor or other lienor or any other person having a blanket encumbrance against the timeshare interest or appurtenant property or property rights, including any amenities represented to the purchaser as being part of the timeshare plan, has recorded a subordination and notice to creditors document in the appropriate public records of the jurisdiction in which the timeshare interest is located. The subordination document shall expressly and effectively provide that the interest holder's right or blanket encumbrance does not adversely affect and is subordinate to the rights of the owners of the timeshare interests in the timeshare plan regardless of the date of purchase, from and after the effective date of the subordination document.

3. The developer, any owner of the underlying fee, a mortgagee, judgment creditor or other lienor or any other person having a blanket encumbrance against the timeshare interest or appurtenant property or property rights, including any amenities represented to the purchaser as being part of the timeshare plan, has transferred the subject accommodations or amenities or all use rights to the accommodations or amenities to a nonprofit organization or owners' association to be held for the use and benefit of the owners of the timeshare plan. The organization or association shall act as a fiduciary to the purchasers, if the developer has transferred control of the organization or association to the owners or does not exercise voting rights in the organization or association with respect to the subject accommodations or amenities. Before the transfer, any blanket encumbrance against the accommodation or facility shall be made subject to a subordination and notice to creditors instrument pursuant to paragraph 2.

4. Alternative arrangements have been made that are adequate to protect the rights of the purchasers of the timeshare interests and approved by the commissioner. 2001

**Recent legislative year:** Laws 2001, Ch. 170, § 15.

**32-2197.13. Hearing on denial of public report**

Any applicant objecting to the denial of a public report may, within thirty days after receipt of the order of denial, file a written request for a hearing. The commissioner shall hold the hearing within twenty days thereafter unless the party requesting the hearing requests a postponement. If the hearing is not held within twenty days after a request for a hearing is received, plus the period of any such postponement, or if a proposed decision is not rendered within forty-five days after submission, the order of denial shall be rescinded and a public report issued.

**32-2197.14. Investigations; orders; hearings**

A. The commissioner, on the commissioner's own motion, or if the commissioner has received a complaint and has satisfactory evidence that the owner, agent or developer is violating any provision of this article or rules of the commissioner or has engaged in any unlawful practice as defined in section 44-1522 concerning the sale of timeshare interests or deviated from the provisions of the public report, may investigate the timeshare property and examine the books and records of the owner, agent or developer. For the purpose of examination, the owner, agent or developer shall keep and maintain records of all sales transactions and monies received pursuant to such sales transactions and make them accessible to the commissioner upon reasonable notice and demand.

B. The commissioner may conduct an investigation, issue a summary order as provided in section 32-2157 or hold a public hearing, on the commissioner's own motion, or if the commissioner has received a complaint and has satisfactory evidence that:

1. A person has violated any of the provisions of this article or the rules of the commissioner.

2. A person has engaged in any unlawful practice as defined in section 44-1522 concerning the sale of timeshare interests.

3. A person has deviated from the provisions of the public report.

4. The owner, agent, developer, officer or partner, developer trust beneficiary or, if a corporation, any stockholder owning ten per cent or more of the stock in such corporation has participated in, operated or held an interest in any land development company which is bankrupt or has been indicted for fraud or against whom an information for fraud has been filed or has been convicted of a felony, before or after the commissioner issues the public report.

C. After such hearing, the commissioner may issue such order or orders as the commissioner deems necessary to protect the public interest and ensure compliance with the law, or rules or public report, or may bring an action in any court of competent jurisdiction against the person to enjoin the person from continuing such violation or engaging in such violation or doing any act or acts in furtherance of such violation. The court may make such orders or judgments, including the appointment of a receiver, as are

necessary to prevent the use or employment by a person of any unlawful practices or which are necessary to restore to any person in interest any monies or property, real or personal, which has been acquired by means of any practice declared to be unlawful in this article.

D. For any timeshare investigation made under this section of an out-of-state timeshare plan, or any in-state timeshare plan to which the commissioner issues any order necessary to protect the public interest and ensure compliance with law, rules or the public report, the developer shall reimburse the department for travel and subsistence expenses incurred by the department.

**32-2197.15. Order; appointment of receiver; writ of ne exeat**

A. If it appears to the commissioner that a person has engaged in or is engaging in a practice declared to be unlawful by this article, and that such person is concealing assets or self, or has made arrangements to conceal assets or is about to leave this state, the commissioner may apply to the superior court, ex parte, for an order appointing a receiver of the assets of such person or for a writ of ne exeat, or both.

B. The court, upon receipt of an application for the appointment of a receiver or for a writ of ne exeat, or both, shall examine the verified application of the commissioner and such other evidence that the commissioner presents to the court. If satisfied that the interests of the public require the appointment of a receiver or the issuance of a writ ne exeat without notice, the court shall issue an order appointing the receiver or issue the writ, or both. If the court determines that the interests of the public will not be harmed by the giving of notice, the court shall set a time for a hearing and require such notice be given as the court deems satisfactory.

C. If the court appoints a receiver without notice, the court shall further direct that a copy of the order appointing a receiver be served upon the person engaged in or engaging in a practice declared to be unlawful under this article by delivering such order to the last address of the person which is on file with the real estate department. The order shall inform the person that he has the right to request a hearing within ten days of the date of the order, and if requested, the hearing shall be held within thirty days from the date of the order.

**32-2197.17. Advertising and promotional requirements; telemarketing and promotional employees; presentations and tours, drawings and contests; commissioner's authority; disclosures**

A. Within ten days after a request by the commissioner, the developer shall file with the commissioner a copy of any promotional and advertising material that will be used in connection with the sale, lease or use of timeshare interests. If filing is required, the commissioner shall approve or deny the use of any

material within fifteen days of receiving all information and documents. If the commissioner denies the use of promotional and advertising material, specific grounds shall be set forth in writing. The commissioner may grant provisional approval for promotional and advertising material if the developer agrees to correct any deficiencies. Any proposed advertising not requested by the commissioner for review may be filed for review and approval by the commissioner.

B. Any advertising, communication or sales literature of any kind, including oral statements by salespeople or any other person, shall not contain:

1. Any untrue statement of material fact or any omission of material fact which would make such statements misleading in light of the circumstances under which such statements were made.

2. Any statement or representation that the timeshare interests are offered without risk or that loss is impossible.

3. Any statement or representation or pictorial presentation of proposed improvements or nonexistent scenes without clearly indicating that the improvements are proposed and the scenes do not exist.

C. All promotional and advertising material shall be consistent with the information contained in the notice of intention pursuant to section 32-2197.02 and the public report pursuant to section 32-2197.08 and shall clearly indicate that the material is being used to promote the sale, lease or use of an interest in a timeshare plan. An interest in a timeshare plan, vacation ownership plan, fractional ownership plan, vacation club or other term or terms may be approved by the commissioner on a case by case basis after the commissioner finds that such term or terms clearly disclose to prospective purchasers the nature of the timeshare interest being offered.

D. If it appears to the commissioner that any person is engaging or has engaged in advertising or promotional practices in violation of this article, the commissioner may hold a hearing as a contested case under Title 41, Chapter 6, Article 10 and issue such order or orders as the commissioner deems necessary to protect the public interest, or the commissioner may bring an action in any court of competent jurisdiction against such person to enjoin that person from continuing such violation.

E. The commissioner may adopt such written guidelines as the commissioner deems necessary to protect the public interest and to assure that all advertising and promotional practices with respect to land subject to the provisions of this article are not false or misleading.

F. It is unlawful for any owner, developer, agent or employee of any timeshare plan or other person with intent directly or indirectly to sell or lease timeshare interests subject to the provisions of this article to authorize, use, direct or aid in any advertising, communication, sales literature or promotional practice which violates this section.

G. This section does not apply to the owner or publisher of a newspaper or magazine or to any other

publication of printed matter in which such advertisement appears or to the owner or operator of a radio or television station which disseminates such advertisement if the owner, publisher or operator has no knowledge of the intent, design or purpose of the advertiser.

H. A telemarketing or any other promotional employee involved in activities whose primary duties are limited to soliciting initial interest, scheduling or confirming persons for appointments, handing out promotional literature or explaining promotional incentives and related duties is not required to hold a real estate license. To the extent that a telemarketing or any other promotional employee is engaged in soliciting interest in the actual purchase, lease or use of timeshare interests, the employee shall be employed and supervised by a real estate broker who is licensed in this state subject to the following:

1. Supervision of unlicensed telemarketing and other promotional employees shall be performed directly by a broker or a licensed real estate salesperson under the supervision of the broker.

2. An unlicensed employee in the course of the employee's duties shall not engage in discussions about any details or benefits of the property transaction being promoted, including dimensions of the property, contract terms, discounts, exchange benefits, price and financing.

3. The amount and manner in which an unlicensed employee is individually compensated may not be based, in whole or in part, on the completion of a timeshare transaction.

4. For the purposes of the supervision required under this subsection, a developer may:

(a) Operate its own promotional program and provide supervision of its unlicensed telemarketing or other promotional employees through its designated broker.

(b) Establish a branch office that is managed by a licensed real estate salesperson under the supervision of the developer's designated broker and who provides supervision of the developer's unlicensed telemarketing or other promotional employees.

(c) Pursuant to a written promotion agreement:

(i) Contract with an unlicensed telemarketer or any other promoter if the agreement requires the developer's designated broker to provide supervision of the telemarketer's or promoter's unlicensed telemarketing or other promotional employees.

(ii) Contract with a telemarketer or any other promoter who is licensed as a broker in this state if the agreement requires the designated broker of the telemarketer or other promoter to provide supervision of unlicensed telemarketing or other promotional employees.

5. The commissioner may exempt from the supervision requirements of this section a timeshare developer that is not based in this state and that desires to conduct telemarketing solicitations of residents of this state or a developer that is based in this state but that desires to use the services of a telemarketer that is not located in this state to conduct telemarketing

solicitations of residents of this state on written application containing information about the developer, the timeshare plan and the marketing procedures that will be used. The commissioner may grant such an exemption on a showing that supervision equivalent to that required under this section exists. If the developer does not adhere to the marketing procedures submitted with its application for exemption or if there is any material change in the information submitted with the application, the exemption may be denied or revoked.

I. A timeshare developer may hold a drawing or contest to solicit interest in or promote timeshare interests if all of the following requirements are met:

1. The timeshare plan has in effect a current public report.

2. The developer is not the subject of an ongoing investigation by the commissioner, unless the commissioner in the commissioner's discretion gives written permission to the developer to hold a drawing or contest.

3. The extent to which the drawing or contest is limited in time and scope and the geographic location in which eligible recipients reside are fully disclosed.

4. The estimated odds of winning and all other material terms of the drawing or contest are fully disclosed to all participants.

5. No fee is charged to any person who participates in a drawing or contest.

6. No participant in a drawing or contest, as a condition of participation, is required to attend a timeshare sales presentation or take a site tour.

7. The developer is in compliance with all applicable federal, state and local laws involving drawings or contests.

8. The developer is responsible at all times for the lawful and proper conduct of any drawing or contest.

9. The developer submits the details of the drawing or contest, including the method of awarding any prize, to the department for review and approval at least thirty days before the drawing or contest is offered.

J. A premium may be given to persons who visit timeshare properties or who attend a timeshare presentation. No person is required to attend any presentation or tour for longer than one hundred twenty minutes to receive the premium. The developer shall make complete and clear written disclosure that minimally includes detailed information about any premium offered as an incentive, including its estimated retail value and any conditions that must be met or limitations that apply to receive the premium, and about the one hundred twenty minute limit placed on a site tour or sales presentation to each timeshare prospect before any presentation or tour.

K. A developer or a representative of a developer conducting timeshare presentations or tours may offer a timeshare prospect a redemption certificate in return for participation in a presentation or tour if all of the following requirements are met:

1. If for any reason the goods or services are not provided in the time frame stated in or are not as

represented in the redemption certificate and the recipient provides proof of timely satisfaction of all conditions and requirements for redemption, the developer does the following:

(a) Within fifteen days of receipt of notice from the timeshare prospect of the proven nonreceipt of the goods or services, provides the promised goods or services or a reasonable substitute of equal or greater value.

(b) If unable to provide the goods or services or a reasonable substitute within the fifteen day period, immediately pays the redemption certificate recipient an amount equal to the estimated retail value of the premium as advertised in the certificate promotional material or, if the value was not advertised, pays the estimated retail value of the premium.

2. All advertising and offers referring to redemption certificates shall clearly and conspicuously set forth any terms, conditions, restrictions or limitations governing the use of the certificates.

L. The disclosure required by Subsection C of this section shall be provided as part of the initial advertising promotion contact with a prospective purchaser. Any other disclosures required pursuant to this section shall be provided before the prospective purchaser is required to pay any money or attend a sales presentation pursuant to the advertising promotion. The disclosures shall be given to each prospective purchaser on only one piece of advertising for each advertising promotion, including advertising promotions that consist of multiple related pieces. If advertising promotions are approved as multiple related pieces, the advertising promotion must be used in that form. If the advertising promotion contains terms and conditions the disclosures required in this section shall be included on any piece containing these terms and conditions. Repetitive filings of the same advertising material are not required. **2001**

### **32-2197.18. Recording of actions**

A. B. In the event of revocation of any of the orders which require recording in Subsection A, an order of release shall be recorded in the same manner. **2001**

A. If any part of the notice of intention filed pursuant to section 32-2197.02 contains an untrue statement of a material fact or omits a material fact required to be stated in such notice, the developer or agent is liable as provided in this section to any person who acquires a timeshare interest in the timeshare plan covered by the notice of intention

during the period the notice of intention remained uncorrected, unless it is proved that at the time of such acquisition the person acquiring the timeshare interest knew of such untruth or omission.

B. A developer or agent who sells or leases a timeshare interest in a timeshare plan in violation of section 32-2197.09 or by means of a public report which contains an untrue statement of a material fact, or omits a material fact required to be stated in such report, is liable to the purchaser of such timeshare interest as provided in this section.

D. Damages in any suit brought pursuant to this section are the difference between the amount paid for the timeshare interest, together with the reasonable cost of improvements to such timeshare interest, and whichever of the following amount is less:

1. The value of the timeshare interest and improvements as of the time such suit was brought.

2. The price at which the timeshare interest was disposed of in a bona fide market transaction prior to the suit.

### **32-2198.14. Advertising availability of campgrounds to campground members; blanket encumbrances**

A. No membership campground may be advertised or promoted in any way that guarantees the unimpeded use of or access to the campground's properties unless the membership camping operator applies for and receives approval by filing information satisfactory to the department guaranteeing that the purchasers of membership camping contracts cannot be denied access to and use of campground properties pursuant to the membership camping contracts. The department may require the applicant to pay for any costs of experts hired by the department to evaluate the application, nondisturbance clause or financial condition of the applicant. No lien or encumbrance may be construed to deny access and use.

1. A duly recorded nondisturbance agreement from each holder of a lien or encumbrance on a membership campground that provides minimally for:

(a) Enforcement of the agreement by individual campground members.

(b) Effectiveness of the agreement notwithstanding insolvency, bankruptcy of the membership campground operator or sale of the campground.

(c) Binding successors in interest of both the campground membership operator and each holder of a lien or encumbrance.

(d) Alternative means to continue operation of the campground if the campground operator, holder of a lien or encumbrance or purchaser who obtains title or possession of the campground ceases to act as operator.

2. A bond or irrevocable letter of credit posted by the membership camping operator in an aggregate principal amount sufficient to cover the indebtedness remaining under any lien or encumbrance.

Description of Practice/Procedure:

1. An agent or broker (licensee) who has a four-year license must receive 24 hours of continuing education credit (CE) in the first 24 months of the license period and 24 hours of CE in the second 24 months of the license period in order to be eligible for renewal. Each 24 hours of CE must fulfill the requirements established by rule.
2. Prior to the end of each 24-month period, licensees shall provide the following information to the Department:

- a. The course name
  - b. The course number
  - c. The date the course was completed
3. Licensees shall utilize the Department’s online license system to provide this information.
4. As a courtesy, if a licensee has not reported this information, the Department will send a 90-, 60-, and 30-day email notice to the licensee prior to the expiration of the first 24-month period and prior to the license expiration date. If the licensee has an employing broker, the employing broker will also receive the 90-, 60-, and 30-day email notice. If the licensee and/or employing broker do not have an email address in their online licensee ADRE account, the licensee and/or employing broker will not receive these courtesy notices.
5. If a licensee does not comply with and report the CE information via the online license system to the Department by the end of the first 24 months, the licensee (and the employing broker, if applicable) will receive notice that CE requirements are not met by the licensee and evidence of completion must be submitted as prescribed by the commissioner. A licensee is not eligible to renew if the licensee is not compliant with continuing education requirements. In addition, the Department may take disciplinary action against licensees for non-compliance with the continuing education requirements.
6. The Department will consider that an employing broker has provided reasonable supervision of a licensee who is not in compliance with the CE requirement if either of the following occur within 30 days after the licensee is out of compliance:
- a. The licensee attends the required CE and submits the required evidence of CE to the Department as prescribed by the commissioner; or

The Department of Real Estate will deem a printout of data contained in the ADRE Public Database, or an electronic file of such data that can be recreated electronically or on paper upon request, to be a license

certificate. This will increase efficiencies and enhance the timelines of issuing license certificates to real estate, cemetery and membership camping salespersons and brokers.

A broker may comply with the statutory requirement that the broker retain and have the certificates available for inspection by accessing the licensed employee's record in the Public Database at [www.azre.gov](http://www.azre.gov) and printing a copy showing current and active licensure to the employing broker or having this data available electronically. Employing broker and designated broker license certificates must still be displayed. An acceptable form is a printout of data contained in the ADRE Public Database.

A.R.S. § 32-2128 requires designated brokers and, where applicable, employing brokers, to prominently display their licenses in the office of the broker. Designated brokers are also required to have the licenses of salespersons and associate brokers licensed to the broker available and retained by the broker until or unless the license is returned to the Department due to license expiration, sever of employment, cancellation, suspension, termination or a change of employment information. A.A.C. R4-28-303. A.R.S. § 32-2151.01 requires the employing broker to maintain in the broker's files a copy of employment status for all current and former employees for a period of at least 5 years from the date of the termination of employment.

Short Title: **Broker Home Office**

This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona Administrative Procedure Act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under ARS 41-1033 for a review of the statement.

**Description of Practice/Procedure:** This policy is to describe the circumstances when the Department will not require compliance with the signage requirement.

Some brokers retain their licenses on active status but do little or no real estate related activity and do not maintain an office outside their home. A.R.S. § 32-2126(B) provides, in part, that "Each designated broker and, if applicable, each employing broker shall cause a sign to be affixed at the entrance to the broker's place of business, in a place and position clearly visible to all entering the place of business, with the name of the broker, the name under which the broker is doing business if other than the broker's given name, ..."

The Department will not consider a broker to be in violation of the signage requirement under the provisions of A.R.S. § 32-2126(B) when the broker:

- maintains a home office in the broker's PRIMARY RESIDENCE,
- handles FEWER THAN 3 transactions a year (0, 1, or 2), and
- has no real estate related employees (licensed or unlicensed)

The broker shall clearly and obviously display the broker's real estate license in the home office, and comply with all other applicable statutory and rule requirements to hold a broker's license.

Short Title: **Fair Housing Course Substitute**

This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional

requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona Administrative Procedure Act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under ARS 41-1033 for a review of the statement.

**Description of Practice/Procedure:** Fair Housing Issues is a mandatory category for real estate license renewal: Real estate licensees must take a minimum of three credit hours in the six mandatory categories, and a total of twenty-four credit hours of Department-approved courses to apply for renewal of their real estate licenses.

Some licensees engage exclusively in specialties in which Fair Housing is not an issue, for instance, farm and ranch sales, business brokerage and commercial sales/leasing. These licensees who deal exclusively in real estate specialty areas have requested an accommodation to allow them to substitute a class applicable to their area of specialization instead of taking a course in Fair Housing.

1. A real estate renewal applicant who is engaged in a specialty that does not include residential transactions may substitute an additional class that has been approved for a minimum of three credit hours in place of the mandatory Fair Housing course **when all of the following apply:**
  - a. **The licensee's business is exclusively in a specialty field in which the fair housing law does not apply;**
  - b. **The licensee provides proof (or has previously provided proof) of attendance at a Department-approved fair housing course in the past;**
  - c. **The substitute course proposed is relevant to the licensee's real estate activities.**
2. To request the course substitution, the licensee shall submit an email to [education@azre.gov](mailto:education@azre.gov) prior to initiating the license renewal application process that specifically states the licensee's compliance with the criteria listed in 1 above.
2. The Education Division will approve or deny the requested replacement class and inform the licensee of the decision. If approved the licensee may proceed with the renewal process using the substitute course.

Authority: A.R.S. § 32-2130(A), A.R.S. § 32-2130; A.A.C. R4-28-402 (A)(5), A.A.C. R4-28-402(B).

These considerations are intended to provide a reasonable standard for licensees to follow in complying with their duties and obligations under statute and rule.

Authority: Commissioner's Rule R4-28-1101 describes a licensee's "professional duties" and A.R.S. § 32-2153(A)(3) and (22) identify violation of rules and negligence as grounds for disciplinary action against a licensee.

This substantive policy statement is advisory only. **Description of Practice/Procedure:** A broker may use an electronic signature to indicate the broker's approval of contracts and agreements as required by statute. The following elements or requirements must be met and will be the basis for any Broker Audit of that aspect of the broker's practice:

A. System must meet the criteria under A.R.S. § 44-7031:

A signature is a secure electronic signature if, through the application of a security procedure, it can be demonstrated that the electronic signature at the time the signature was made was all of the following:

1. Unique to the person using it.
2. Capable of verification.
3. Under the sole control of the person using it.
4. Linked to the electronic record to which it relates in such a manner that if the record were changed the electronic signature would be invalidated.

B. The brokerage must have and enforce a written internal policy regarding personal computer security and, at a minimum, require that any person with electronic signature authority and capability locks or signs off his/her computer every time they walk away from their computer.

C. The brokerage must have a back-up system defined for when the computers are down for an extended period of time. (i.e. how and when contracts and agreements will be manually reviewed)

D. The system must have the ability to create a secure history log of all activity for electronic signatures which can be reviewed by Department auditors and investigators.

**Authority:** A.R.S. § 32-2151.01 identifies Arizona Licensed Broker requirements for record keeping. Subsection G requires the designated broker to review each listing agreement, purchase or lease agreement or similar instrument within 5 days of the date the parties executed the document, and to place the broker's initials and date of review on the same page as the parties' signatures. **No. 2005.07****Short Title: Department Investigation of Cases Involving Civil Litigation**

This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona Administrative Procedure Act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under ARS 41-1033 for a review of the statement.

**Description of Practice/Procedure:** A Complainant's filing of a civil suit has no bearing on whether the Department will pursue an alleged violation of a statute or rule within the Department's jurisdiction. The Department shall commit the appropriate resources to investigate possible violations.

The Department monitors and regulates real estate licensees, but does not determine a licensee's civil liability to third parties. A finding by the Department that a violation warranting administrative action did or did not occur, is not dispositive of liability and does not create any presumption regarding whether or not civil liability exists.

The Department's investigations shall not be utilized for the purpose of circumventing the Arizona Rules of Civil Procedure or as a means of discovery of evidence for use in civil litigation. The Department will not intentionally place itself in the position of providing discovery and building a prima facie case for a Complainant, only to have the Complainant use the Department's investigative file as evidence in a civil suit. It is not the Department's role to assist a Complainant to develop a case that will assist them pursuing damages.

The Department shall not delay an investigation to await the outcome of a civil court proceeding. Such a delay may discourage or financially inhibit a Complainant's pursuit of a civil cause of action. Such a delay might also encourage a licensee to assert the Department's inaction as an argument in the licensee's favor.

**Authority:** The Department's authority to investigate alleged or perceived violations of Arizona Revised Statutes Title 32, Chapter 20, and Title 4, Chapter 28 of the Arizona Administrative Code, is found at A.R.S. § 32-2108.

**Policy Program:** Enforcement.

**Effective Date:** 6/18/99; Revised & Renumbered 5/28/04; Renumbered 4/01/05.

**No. 2005.06****Short Title: Electronic Record Keeping**

If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under ARS 41-1033 for a review of the statement.

**Description of Practice/Procedure:** Licensees of the Department (brokers, property management companies and cemetery owners) are required to retain copies of transactions.<sup>1</sup> Brokers and management companies are also required to keep employment records.<sup>2</sup> Records pertaining to trust accounts, if kept electronically, must be able to be reconstructed "...in the event of destruction of electronic data."

A licensee may retain the required transaction and employment records by electronic means, providing that all of the following conditions are met:

The records are maintained in a manner allowing reconstruction in the event of destruction of electronic data.

The records can be produced, at the broker's expense, in legible, written form ("hard copy") upon request by the Commissioner, or the Commissioner's representative, for auditing, inspection, or investigation purposes.

The electronic records are exact duplicates of the original.

The stored records are legible.

**Authority:** Brokers are required to retain records pursuant to A.R.S. §§ 32-2151(B)(2), 32-2151.01(A), 32-2151.01(H), 32-2175(A), 32-2175(B) and 32-2194.06(A) and (B). A.R.S. § 32-2151(B)(2) requires that trust

account records that are maintained electronically be able to be reconstructed. A.R.S. § 32-2194.03(E) requires a cemetery owner or the owner's agent to keep and maintain records of all sales transactions and monies received, and authorizes examination of the books and records of the cemetery owner or agent. A.R.S. §§ 32-2108(A), 32-2175(H) and 32-2194.06 (B) authorize the Commissioner to examine the books and records of any natural person or entity engaged in the business or acting in the capacity of a broker, salesperson or developer. Pursuant to A.R.S. § 32-2107, the Commissioner is authorized to administer the Department and the provisions under its jurisdiction.

Short Title: **Unlicensed Assistants**

This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona Administrative Procedure Act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under ARS 41-1033 for a review of the statement.

**Description of Practice/Procedure:** In looking at the issue of unlicensed assistants, various aspects must be considered, including what activities the individual will perform and how the individual is paid.

If an unlicensed assistant is paid on any basis that relies on the ultimate sale of a property, then that person **must** be licensed.

**An unlicensed assistant in the employ of a licensed real estate broker may:**

Perform telephone duties, to include calls to:

- 1) collect demographic information
  - 2) solicit interest in engaging the services of a licensee or brokerage
  - 3) set or confirm appointments (with no other discussion) for:
    - A licensee to list or show property
    - A buyer with a loan officer
    - A property inspector to inspect a home
    - A repair/maintenance person to perform repairs/maintenance
    - An appraiser to appraise property
  - 4) mortgage and/or title companies to track the status of a file, check daily interest rates and points, whether buyer has been qualified, confirm closing appointment for licensee, and so forth
- Assist a licensee at an open house  
 Unlock a home for a licensee so that licensee can show a buyer the property or preview the property (no discussion about the property)  
 Deliver documents (as a mail or delivery service only)

**An unlicensed assistant shall not perform the following activities:**

- Hold/host an open house without an agent being present
- Perform a walk-through inspection
- Answer questions relating to a transactional document
- Give instructions to inspectors, appraisers or maintenance/repair people. Because these instructions are part of the licensee's regular duties and there is a direct relationship to the (potential) transaction, a license is required in order to give instructions to inspectors appraisers or repair/maintenance people

Authority: A.R.S. § 32-2101(46) defines the activities of a real estate broker, for which licensure is required pursuant to A.R.S. § 32-2122. See also A.R.S. § 32-2121.

**Short Title: Disclosure of Licensee's Home Address**

This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona Administrative Procedure Act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under ARS 41-1033 for a review of the statement.

**Description of Practice/Procedure:** Only the business addresses and telephone numbers of active-status licensees are disclosed to the public. Requests for the residential address and telephone number of an active status licensee shall be denied, except in the cases of those self-employed brokers whose business and residential addresses are the same. State law requires the Department to make available to the public the residential address and telephone number of an inactive licensee unless the inactive licensee provides the Department with a current and valid alternative mailing address and alternative telephone number. A licensee who has obtained an Order of Protection may provide the Department with a current and valid alternative mailing address and alternative telephone number.

All licensees are required to provide and maintain their current residential address on file with the Department. All licensees are required to notify the Department within 10 days of any changes to their personal licensing data, including personal (residence) address.

Authority: A.R.S. § 32-3801, adopted April 4, 1997, states that a licensee's residential address and telephone number shall not be available unless that is the only address on file. At the Department, a business address is available when the license held is current and an employing broker employs the licensee. This law superseded the 1996 provision that authorizes the Commissioner to keep confidential a licensee's home address and telephone number for good cause upon a request by the licensee. A.R.S. § 32-2123 requires an applicant to provide the applicant's residential address. A.A.C. R4-28-301 (E) & R4-28-303 require the residential address be kept current.

Short Title: **Attendance Requirements for Credit & Enforcement**

This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona Administrative Procedure Act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under ARS 41-1033 for a review of the statement.

**Description of Practice/Procedure:** A.R.S. § 32-2124(B) and (C) and § 32-2130(A) require licensees to attend a prescribed amount of time in pre-licensure and continuing education classes. Tardiness may preclude a student from receiving credit for the course. Commissioner's Rule R4-28-101(3) defines "credit hour" as a fifty minute period of instruction, which allows students a 10-minute break for each sixty minutes and still receive an "hour" of credit for each 50 minutes spent under instruction.

When a course sponsor schedules a class, the customary practice is to schedule just enough time to cover breaks and meet the "fifty-minutes-of-instruction" definition (standard) to award each approved credit hour. The course instructor and the real estate school providing the course are responsible for enforcing the above standard.

Authority: The authority to approve or disapprove courses and course sponsors exists in A.R.S. § 32-2135 and Title 4, Chapter 28, Article 4 of the Arizona Administrative Code. Attendance is required in order for Department-approved credit is issued pursuant to A.R.S. §§ 32-2124 (B) and (C), 32-2130 and A.A.C. R4-28-101.
