Realtors give on Donation Day

The White Mountain Association of Realtors is back in action with its partnership with the Boys & Girls Club. On Donation Day, July 20, the association's president, Brenda Ciminski (left), presented Club Director Suzanne Kammerman with the fruits of a summer donation drive. Local realtors collected dozens of boxes of crayons, coloring books, sidewalk chalk, sunscreen and more for children at the club. The drive is part of an ongoing partnership between the National Association of Realtors and the Boys & Girls Clubs of America. The alliance is a natural fit for the Arizona Association of Realtors whose members actively participate in a number of community service projects throughout the year.
