

REALTORS® OF ARIZONA
POLITICAL ACTION COMMITTEE

YOUR BEST INVESTMENT IN REAL ESTATE

FIVE GREAT REASONS TO INVEST IN REALTOR® INTERESTS THROUGH RAPAC...

1. Laws and regulations shape the way you do business. Every day, elected officials make decisions that could determine your profits!
2. You're not alone... so why act alone? You're part of the REALTOR® family, over 1 million strong nationally and over 45,000+ strong in Arizona. If REALTORS® pool their resources; they can speak with authority on major real estate issues.
3. REALTORS® already have a strong program for group action...RAPAC. It's a proven way to get **YOUR** views across to public officials.
4. RAPAC promotes your views on issues and supports candidates who will represent REALTOR® interests. REALTORS® at the local, state and national levels work hard to make the right contribution decisions.
5. A little goes a long way with RAPAC. Private citizens can contribute to any candidate or issue. But RAPAC offers another way—a more powerful way—to invest in your future through group effort and group political contributions.
