Arizona REALTORS® Release First Round of 2020 Legislative Endorsements

PHOENIX (June 22, 2020) – The Arizona REALTORS®, which represents more than 50,000 real estate professionals, released its first round of 2020 legislative endorsements for the Arizona Senate and Arizona House of Representatives; additional endorsements to follow. The Association is pleased to endorse 29 Senate and 47 House candidates.

“The housing industry is key to the success of Arizona’s economy and as REALTORS® we are uniquely positioned to understand the impact our roles make on our state. Daily we connect people to their communities, and in turn people to their government,” stated Shane Cook, Chairman of the REALTORS® of Arizona Political Action Committee (RAPAC). “We are excited to announce a slate of candidates that share the REALTOR® vision for the protection of private property rights, affordable homeownership and who understand the issues facing our membership, the real estate industry, and our citizens.”

The Arizona REALTORS® are confident that each of these candidates understands the issues of concern to the real estate community, homebuyers, sellers, and property owners in Arizona. We look forward to working with both the administration and the legislature to ensure that the work of the 2021/2022 legislative session results in policies and programs beneficial to the real estate industry in Arizona.
