

Funding a Place to Call Home.

ARIZONA'S HOMELESSNESS PROBLEM

The number of people experiencing homelessness in Arizona is at an all-time high. On any given day, 10,007 people experience homelessness in our state.

The impact of COVID-19, and rising housing costs is exacerbating the extreme shortage of affordable housing – 3rd highest shortage in the nation.

Emergency, Temporary and Transitional Shelters are full.

WHAT IS THE ARIZONA HOUSING FUND

The Arizona Housing Fund, a nonprofit fundraising platform, raises money to help Arizona nonprofit agencies build and operate more permanent supportive housing for the homeless population in our state.

WHAT THE FUND DOES

The Arizona Housing Fund is our state's solution to raising and providing the necessary funding Arizona nonprofits need to build affordable and supportive low-income housing.

100% of all donations to AZHF will be granted to established nonprofits around the state for construction of new housing units.

ARIZONA'S FUNDRAISING GOAL

HOW YOU CAN HELP

For a \$25 tax deductible donation at your closing, you can help someone in Arizona find a home.
