

# 5 Great Reasons

TO INVEST IN REALTOR® INTERESTS THROUGH RAPAC

1

Laws and regulations shape the way you do business. Every day, elected officials make decisions that could determine your profits!

2

You're not alone...so why act alone? You're part of the REALTOR® family, over 1 million strong nationally and over 56,000 strong in Arizona. If REALTORS® pool their resources, they can speak with authority on major real estate issues.

3

REALTORS® already have a strong program for group action...RAPAC. It's a proven way to get **your** views across to public officials.

4

RAPAC promotes your views on issues and supports candidates who will represent REALTOR® interests. REALTORS® at the local, state and national levels work hard to make the right contribution decisions.

5

A little goes a long way with RAPAC. Private citizens can contribute to any candidate or issue. But RAPAC offers another way - a more powerful way - to invest in your future through group effort and group political contributions.
